

## **DISH EVOLVE SERVICE**

Be part of a New Era in Guest Entertainment. Guests can seamlessly cast their favorite content, access popular apps, and watch live TV and premium channels – all within an easy-to-use, guest-focused experience.

Guests can cast their own content from a tablet or smart phone. Powered by Android TV™ with Chromecast built-in, EVOLVE makes it easy for guests to cast and stream the music, movies, and shows they love to the in-room TVs.

### **In-room Netflix & app integration**

Along with built-in Netflix on each in-room TV, guest can log in to the Google Play store to download their favorite apps, pick up where they left off, and take their in-app purchases with them at check out.
