

The Moosomin Thrift Store is thrilled to offer a bursary to a graduating grade 12 student of McNaughton High School. The bursary is valued at \$500.00 and will be given to the student who displays an exceptional commitment to volunteer activity and community involvement. As we are a non-profit organization, we heavily emphasize the importance of volunteer work. Special consideration will be given to students who have volunteered at the Moosomin Thrift Store and Food Share. Applications will be reviewed by our Board of Directors and a recipient will be voted on. Please note that this bursary is funded by The Moosomin Thrift Store and is in no way associated with the Food Share. The fillable application is located below.
