

The Moosomin Thrift Store is thrilled to offer a bursary to a student who has worked or volunteered at the Moosomin Thrift Store. The bursary is valued at \$500.00 and will be given to the worker who displays an exceptional work ethic and commitment to this organization. As we are a non-profit organization, we heavily emphasize the importance of volunteer work. Special consideration will be given to workers who have worked at the Moosomin Thrift Store and Food Share for a minimum of three years. Applications will be reviewed by our Board of Directors and a recipient will be voted on. Please note that this bursary is funded by The Moosomin Thrift Store and is in no way associated with the Food Share. The fillable application is located below.
