

Anderson Christmas Card 2014

Greetings friends and new found followers. What's up y'all how are you doing today?

2014 was a good year for Matt, Susan and Kristin.

Susan continues to work at Keizer Permanente here in Salem Oregon. She received a plack for best labor partner, as Susan is a union steward. She has been working tons of overtime. We went back to Orcas Island, where she first started wearing my ring back in 2008. It was a nice vacation and we toured the small towns and I increased my refrigerator magnet collection.

I continue to work for the Oregon Legislature, and this is my 6th year on the job. I always tell people that this is the best job I have ever had. We are gearing up for a busy legislative session 2015.

Kristin was married June 28, 2014 to a wonderful man named Ace Wing and we had a nice ceremony at Keizer Rapids Park. She is living in Seattle and continuing school to be a naturopathic doctor. Her husband has a good job in Seattle with a chemistry company. They have a nice apartment near Green Lake.

Susan and I went to Hawaii in the early part of 2014 and saw Perl Harbor. We travel lots, and it is loads of fun. Please let us know what you are doing, and if you are in Keizer Oregon, please look us up.

Love,

Matt, Susan, and Kristin
