STEAK ON A BUN

For this SAMMY SATURDAY Feature we started by marinating your AAA beef in a blend of herbs and spices for over 48 hours. When ordered your steak will come out of the marinade and hit the super hot grill along with butter. Sliced hot, the juices are soaked up by that super soft warm bun. Next caramelized onions and your choice of sauce(s):

Garlic Aioli | Mayo | Mustard | HP | BBQ | To finish your Sammy off!

Your platter comes with fresh-cut fries and your choice of drink: Pop (can), Coffee, Tea, Water (bottled) | \$19.99+tax

OR

ROASTED CHICKEN SAMMY

For this SAMMY SATURDAY Feature we started with chicken breast rubbed down in a blend of our own herbs and spices. Once finished roasting in the oven we shred the chicken slightly and pile it onto a warm soft bun. Your sammy is then topped with a house-made mayo based coleslaw.

Your platter comes with fresh-cut fries and your choice of drink: Pop (can), Coffee, Tea, Water (bottled) | \$19.99+tax
