January 2024

A Blessed New Year Partners, Family & Friends!

We made it to 2024!! Praise the Lord for how He has brought us out of every pit and snare the enemy had prepared for us in the previous years. God has been faithful to us. He is a good God, indeed.

Why would a God in Heaven keep us as He does? It's certainly not because we are so deserving. It's because He loves us and desires that we would return that love to Him in a personal relationship. I like what Jesus said in John 17:3. *"And this is life eternal, that they might know thee the only true God, and Jesus Christ, whom thou has sent."*

In October, we talked about how the life of the believer is **"a life for a Life."** God sowed the Life of His Son, Jesus Christ in this earth so that He could reap a harvest of lives in this earth. I exhort each of you to consider yielding more of yourselves to the Heavenly Father in this new year. The Lord has a special treasure for those who are willing and obedient to His plan and purpose for their lives.

In fact, I heard the Holy Spirit speak the following words, just before Christmas of this year 2023. He said, **"Life Is Precious."** Each and every life on earth is very precious to God. Consider how God so love the people of this world, that He sent His Son to die for us. The Bible says that there is no *"greater love"* (John 15:13) than when a person gives up their life for a friend. That is what God did for us when He sent Jesus into this world. He showed us how to give up our lives for others. This is what it means to love.

This is a **"sacrificial love"** that few people experience or understand. However, those who have truly received Jesus Christ into their lives, we know what it means to live like Jesus in this dark world. It's not easy. But, we do it because we love the Father, and we appreciate what the Son of God has given up for us.

So, consider your life. Just as it is today. You may not be satisfied with where you are. That is a good reason to talk to God and have Him show just how precious you are to Him. Celebrate the Father and the Son for the love they have given to us!

*"For God so love the world, that he gave his only begotten Son,  
That whosoever believeth in him should not perish, but have everlasting life."*

*John 3:16*

**A BLESSED NEW YEAR TO YOU ALL!!**
