## Featuring 3 Vineyards & The Manassas National Battlefield

3 Days - 2 Nights

*The sample itinerary described below is approximately like the one your group will be following during your stay with WHITE STAR TOURS. However, the exact times, days, and destinations may vary for your group.*

- Day 1** Depart from your hometown and travel to Leesburg, VA for a brief winery tour and wine tasting at the **Zephaniah Farm Vineyard**. A specialty food sampler and **A Taste of Loudoun Bar** with dark chocolate are included. The family-owned winery is a fourth generation working farm with livestock and produces 12 different wines, including whites, reds, and rosé. After your visit, depart for your hotel to check in for a two-night stay. Dinner is on your own in the area this evening.
- Day 2** Following breakfast at your hotel, depart for a **tour of Morven Park's Mansion & Gardens**. Morven Park was home to World War I era Governor Westmoreland Davis and his wife who expanded the house to what it is today and added the formal gardens. Visit the Carriage Collection and Museum of Hounds & Hunting located on the property. After your visit, you will enjoy lunch on your own in **Downtown Leesburg**. This afternoon you will **tour Dodona Manor**, home of George C. Marshall who served as Secretary of State and Secretary of Defense and authored the "Marshall Plan." You will also visit the nearby **Loudoun Brewing Company**. In mid-afternoon you will depart for Centreville, VA to visit **The Winery at Bull Run**, a grape to glass farm winery which opened in 2012 and focuses on crafting fine Virginia wines while paying tribute to the history and preservation of their land. Your day of touring will end with a delicious **dinner at Glory Days Grill** after which you will return to your hotel for a relaxing evening.
- Day 3** Enjoy breakfast at your hotel, then check out and travel to Manassas, VA to meet your ranger guide for a tour of the **Manassas National Battlefield Park** where on July 21, 1861, two armies clashed for the first time on the fields overlooking Bull Run. In August 1862, Union and Confederate armies converged for a second time on the plains of Manassas. The Confederates won a solid victory bringing them to the height of their power. You may have the opportunity to stand in the footsteps of "Stonewall" Jackson and envision the troops marching along the open land during two Civil War battles. After your visit, you arrive at the **Farm Brewery at Broad Run for lunch** before departing for home with lasting memories of Virginia's Wine Country.
