Mayor and Council recommended procedures for the duration of the Local Disaster Emergency

The City of Dietrich has recommended that citizens follow the guidelines set forth by the CDC. In addition to these, city officials are following the guidance relayed by the Governor's Office, Lincoln County Office of Emergency Management and South Central Public Health Dept. A few important reminders are as follows:

- Stay home if possible.
- Wash your hands often and avoid touching your face.
- If you are feeling ill, follow the advice of your healthcare professional.
- Avoid group gatherings of 10 or more people.
- Practice social distancing of 6 feet or more.
- Please do not hoard groceries and household products. It has been relayed that there is no shortage of supplies in the country and taking more than necessary may prevent others in need of obtaining items.
- If you have traveled to areas that have known spread of Covid-19, please practice self-quarantine for 14 days.

Other than the recommendations by the CDC that have been adopted by Lincoln County, The City of Dietrich does not have any additional security measures at this time.
