## WHY ARE WE TALKING ABOUT THIS?

I bet you're wondering what "this" is and I will be more specific in a moment. First, let me share more generally how I look at this question.

Whatever "this" is, I believe that church ought to be a safe place to talk about "it". As God's people, living honestly and in authentic community with each other, we need places and spaces where we can ask our questions and explore perspectives and wonder together about how our faith informs our lives. God is in it all and so we can talk about it all.

Why are we talking about this? Specifically, I'm referencing the question about why we have been talking about LGBTQIA+ understandings. Over the course of my almost nine months at Galilee, I have been asked this question 3-4 times and I have offered an answer in private conversations, in our *Unclobber* book study, and in our adult forum sessions. I'm wondering if it might be helpful to respond here as well.

For the purpose of the call process, the Bishop and staff will need to know if Galilee wants them to screen out LGBTQIA+ candidates who might otherwise be a fit based on our Ministry Site Profile (which is still in process). Practically speaking, we have to talk about this before we can give an answer and before they can start looking for candidates. Although the Leadership Board could choose to give an answer on its own, it is best if everyone has the opportunity to participate in the discussion because, finally, the congregation is the one to vote on who will be the next pastor. The whole congregation will partner with the next pastor.

Missionally speaking, we're talking about this because Jesus sends his church into the world to walk alongside those who are hurting and outcast in society and to speak Good News to all. We do this currently in a multitude of ways: Pewaukee Food Pantry, Hope Center, providing school supplies, Outreach for Hope, for example.

In Luke 4 we listen in as Jesus speaks of his purpose immediately after his baptism and time in the wilderness:

*The Spirit of the Lord is upon me, because he has anointed me to bring good news to the poor. He has sent me to proclaim release to the captives and recovery of sight to the blind, to let the oppressed go free, to proclaim the year of the Lord's favor.*

In other scripture we find Jesus meeting with those considered unclean and unworthy while those considered worthy look on disapprovingly.

We need to explore and consider our mission within a culture that often marginalizes and devalues the lives and worthiness of LGBTQIA+ people. Christianity is not of one mind on this. What is the role of our church? What is the voice of our faith? If we can't talk about that, we risk becoming irrelevant. We also risk people assuming what we stand for rather than us affirming what we believe. So we talk about this.

I hope this helps. Let's keep the conversation going. Peace in Christ,

*Pastor Jennifer*

## METeam August News

We hope that you have been following our Monday news bulletins. Those bulletins provide detailed summaries of all the research that your METeam has conducted. If you haven't read them we encourage you to do so. If you need a printed copy please ask Sam or a METeam member to put a copy in your church mailbox.

We spent most of our time in July completing our surveys. Thank you again for your wonderful comments. We then began summarizing all these observations, concerns, and dreams. We met with the Leadership Board in late July to begin the process of integrating their research and findings with those of the METeam.

August is our month for preparing the Ministry Site Profile. (MSP). The MSP is the formal document that will be presented to the Leadership Board by the METeam and, when accepted, will complete the work of the METeam. The document will be based on all the meetings, surveys, and prayerful thoughts we've heard over the last months of our work. Our goal is to complete the document by the end of August.

So -- our big news for August is that we are getting very close to completing the Ministry Exploration portion of our search for our new pastor! Each of you has been a very important part of this process and we thank you for your help and patience. We especially thank you for your prayers. We ask that everyone at Galilee continues to pray for God's guidance as we search for our new pastor. We also need to remind you that the MET process is the first part of calling our new pastor. Once the MSP has been accepted by the Leadership Board, the Board will form the Call Committee, which will receive and evaluate the pastoral candidates presented by our Synod.

Godly Play will return to a weekly schedule starting on **September 10th** during Sunday's service. Godly Play program provides support to young families.

## El Salvador Ministry Team

Do You Know?

Since 2006, Galilee has been in partnership with a small church located in a rural community just outside of San Salvador, the capital city of El Salvador. Our Partner Church is called El Renacer de Los Martires, which in English means “The Return of the Martyrs” or “The Rebirth of the Martyrs.” The community where this church is located is called La Comunidad de Mosenor Romero, which in English means “The Community of Monsenor Romero.”

Monsenor Romero is one of the best known and beloved Christian figures in Salvadoran history. He was a very popular church leader during the 1960s and 1970s, and ultimately became the Archbishop of El Salvador in 1977. His ministry focused on serving the poor. He also spoke out against social injustice, including the political torture and assassinations that were occurring in El Salvador at that time.

Galilee’s “Sister Church” partnership with El Renacer de Los Martires was formed pursuant to a covenant signed in September of 2006. The Pastor at our partner church is Pastor Martir. Through monetary donations from Galilee members, we have provided electricity and a new roof for the church, a fence around the church property, and a Sunday School building for the children. We have also offered resources for worship and education, including teaching materials, technology resources, hymnals, and bibles to assist Pastor Martir in his ministry. Most recently, through some generous donations, we are providing new ceramic tiling for the church and Sunday School buildings. That tiling is currently being installed.

There have been many Galilee delegation visits to El Salvador over the life of the partnership. During those visits, Galilee members worship, share fellowship and conversation, listen to the needs of the community, share meals, and provide support in the Principle of Accompaniment. In short, we come together and build relationships.

Each year, we are pleased to assist with funds for backpacks, school supplies, and socks for the children in the community, many of whom walk quite a distance through fields and over dirt roads to get to the local school. We also provide funds for annual church celebrations, including a Christmas party, a Mothers' Day celebration, and annual celebrations honoring the birthday of our Partner Church and the life of Archbishop Romero.

If you already knew all this, great! If this information is new to you, that’s great too! We welcome providing you with opportunities to learn more.

Over the next few months, you will be hearing more about the El Salvador partnership and how you could become involved.
