

WELCOME LETTER

السَّلَامُ عَلَيْكُمْ وَرَحْمَةُ اللَّهِ وَبَرَكَاتُهُ

Dear Academy Family,

*We start off by giving complete praise to Allah (swt) for blessing us with children who we have a shared responsibility to educate, nurture, groom and bring up to standard upon all Islamic aspects. Second, we want to **“Thank You”** for enrolling your child into our newly created Masjid Ibrahim Academy. By starting upon this journey with us, we collectively will fulfill our rights as Parents and Community Representatives to help shape the next generation of Muslims, insha’Allah.*

*Our commitment and focus has been laid out in our **Academy Mission Statement** with an extra detail added to our Education Philosophy, centered around making our children “All-Arounders.” I encourage you (If you haven’t done so already) to visit our website and read over the “Academy” page that illustrates all our strong points. We will surely try our very best to create a fun-loving Islamic environment, where our children can grow and become sound-minded American Muslims.*

*As we move ahead, I want to personally give you my undivided attention that my admin staff Academy teachers and I will be giving our very best in all facets of this endeavor. I will make myself available to you for any needs you may have, any questions or any discussion you would like to have upon the Academy. My Team & I will work diligently behind the scenes to make this platform a true reality for today & tomorrow. We have created a **“Parents Portal”** group-chat to have quick conversations about the Academy, I encourage you all to join.*

I end by saying, this attempt to fulfill our duties as Muslim parents to teach our children Islam is one of the most important aspects of our life. You are not alone in this process, we are here for you to help strengthen our children, to instill the key basic elements of Islam. With your support and our Academy platform, we will succeed, Insha’Allah.
