Cathy,  
As you know I would recommend you & Classic Awnings & Canopies to any business or personal acquaintances.

Your kind of attention to detail & high level of prep thru production is what makes Classic Awnings & Canopies at the top of its game. I appreciate all the help & service you and your company have given me the past 5 years.

When I need my next awning you know you are the only call I would make.

Thanks for all your help & I look forward to our next project.

Thanks,  
Jen

*"How Can We Cover You"*

## About Us

With over 25 years in the industry Classic Awnings & Canopies has been serving Long Island & the Tri – State area. Our work has been featured on the Discovery Channel show “Construction Intervention”, Our work has also been seen in print & trade magazines. We are often called upon by contractors, builders and other shops when they need custom awnings, canopies or signage. We have completed work for towns and villages across Long Island, the 5 Boro’s as well as many of your friends and neighbors.

We not only use materials found in the awning industry, we commonly use resources found in other industries to achieve a result that speaks for itself...
