

Humane Being

Helping people be humane beings

x 8 million metric tons of plastic thrown into the ocean annually

Source - www.earthday.org

x The chance of coral reefs (home to more than 25% of marine life) becoming diseased increases from 4% to 89% after coming in contact with plastic.

Plastic – need or greed ?

Please don't buy plastic if you can avoid it – for the sake of the animals and the planet

Humane Being

Helping people be humane beings

× 5 minutes
to drink 500
years to
break down

× 100,000
marine
mammals
& sea turtles die
each year when
they become
trapped
in plastic or eat it

× 1 million seabirds killed by
eating or getting trapped in
plastic each year

Plastic – need or greed ?

Please don't buy plastic if you can avoid it – for the sake of the animals and the planet
