

How to use the SYC Card Machine

1. Press and hold the red power button

2. Wait for the device to make a connection

Note: The device will connect to the strongest mobile network, it is not linked to any one network.

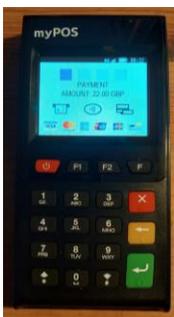

3. Press any key to wake the device if the screen is on the home screen, to display amount screen

4. Enter amount in full and Press Enter (GREEN) e.g £22 would be 2 2 0 0

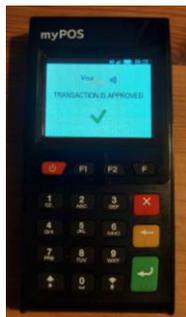

Hand the device to the raller. Payment is contactless (tap on the screen) or Chip and Pin (insert card at the bottom of the device). **Use alternate interface means contactless has not work, insert card and Chip & Pin**

5. The device will confirm the payment is complete

6. Device will ask if a receipt is required, press 2 for SMS.

Enter mobile as below e.g 447xxx xxxxxx

How to get a record of card payments taken at the end of the rally

From the home screen

Press the F1 key

Then the F2 key to display the next screen
