

### Donna Garland brings Christmas spirit to Westport in first parade since pandemic PROMOTING THE LEAD BUY BACK PROGRAM

After the parade was cancelled two years in a row because of the pandemic, everyone was happy to get together and celebrate the upcoming holiday season. Hundreds gathered for the Christmas Parade in Westport, held on Saturday November 26. Amongst the float participants was Donna Garland, who had put in a lot of time and effort to decorate her ATV to promote the Lead Buy Back program. Way to go Donna!

Donna, one of our executive team members: "To participate in the Christmas Parade is a way to give back to the community and at the same time raising awareness on the dangers lead tackle imposes on loons and other wildlife."

The Lead Buy Back program was launched earlier this year. Learn more on [wolfelake.org](http://wolfelake.org), and on [fishleadfree.ca](http://fishleadfree.ca). Or, if you still have your Wolfe Lake Magazine 2022 handy, read the openings article.
