

NCCER PLUMBERS ASSISTANT

Technical Certificate of Credit

The Plumbers Assistant program of study is a sequence of courses that prepares students for entry level careers in plumbing and related fields. The program emphasis a combination of plumbing theory and practical application necessary for successful employment. Program graduates receive a Plumbers Assistant Certificate of Completion and have the qualification of an entry level plumber's assistant.

Courses:

ONE SEMESTER	COFC 1080	Construction Trades Core
	PLBG 1005	Plumbing Fundamentals I
	PLBG 1015	Plumbing Fundamentals II

This program is one semester if COFC 1080 is taken prior to enrolling into the certificate.
