Maybe You Can't Go, Here's How You Can Help

Friendship International is committed to introducing children to the life changing person of Jesus Christ. We believe camp is one of the best places for the Lord to meet and touch the heart of a child.

Friendship International has been leading kids camps for over 25 years. We have had the privilege of having children attend from many different churches, as well as orphanages, gypsy communities and hospitals for terminally ill children.

New Cabin Project

We are so thankful and blessed. Our pole barn has been restored. The new shower and toilet building is complete and our covered wagons have a brand new look and ready for use.

We still have one important project to complete. Our friends have donated enough money to buy 5 new cabins. We need 6. We only need to raise \$5,000 to purchase the final cabin. With your help we can do this. Prayerfully considering helping.

Donations can be given through e-Giving or with a check to our office, with a note, "New Cabin Project".
