

Remember this:

*Whoever sows sparingly
will also reap sparingly,
and whoever sows generously
will also reap generously.*

*Each man should give what he
has decided in his heart to give,
not reluctantly or under
compulsion, for God loves a
cheerful giver. And God is able
to make all grace abound to you,
so that in all things at all times,
having all that you need, you
will abound in every good work.*

As it is written:

*He has scattered abroad
His gifts to the poor;
His righteousness endures
Forever.*

Friendship International Ministries

Friendship International (F.I.) is an interdenominational ministry, founded in 1990. F.I. is actively involved in the work of evangelism and discipleship in the countries of Chile, Hungary and Romania, seeking to meet the needs of people at the intellectual, physical, spiritual and social levels.

Through music, orphanage and camp ministries, evangelistic outreaches, seminar training, humanitarian relief and work projects, F.I. is committed to equip and train for the purpose of building up the body of Christ and the effective communication of the Gospel.

F.I. believes in developing an indigenous ministry in the countries where it ministers, by working alongside nationals and training them for continued ministry.

A new way to support F.I. It's a convenient, safe and secure means of supporting our international ministries. It is easy to set up an account for your giving. Project Dandelion

*Remember the JOY
you felt when you
discovered a dandelion
as a CHILD?
You closed your eyes
and made a wish,
and when you blew,
your breath carried the
seeds of the dandelion
into the world.*

When you think about it, that is what we are doing at Friendship Camp. We are picking children and youth up, often times when they are at the lowest point in their lives, and we are speaking truth into them.

We share with them the Good News of the Gospel.

We show them love, and we help them find new ways of thinking and living, which they then spread to their families, friends and the world.

Spreading seeds of hope is what Friendship Camp is about.

When you give to Friendship Camp, you too are spreading seeds of hope.

Hope reaches out to children and youth who are at risk, coming from the orphanage system or gypsy camp environments, as well as those coming from poor family situations as well as those from normal families and Christian families. More recently we have provided opportunity for young families to attend camps and conferences.

Many children and youth who come to our camps have been in abusive living situations, feeling unloved, unwanted and forgotten. Through our staff and counselors we have the opportunity to show the *love of God* and plant *seeds of hope* in their lives. Many of our children leave camp after one week, changed forever, hearing, believing and receiving the promises of God's word, bowing their heads to receiving Jesus as their Savior.

Project Dandelion is taking Friendship Camp into a new phase of development for the future. Our Capitol fundraising will include such things as, new equipment, repairs, building project and staff support.
