

# M203

**DAYCRAFT**  
**SYSTEMS** 

The Daycraft M203 system, is a breech-loaded 40mm grenade launcher. It is designed to attach to a rifle, and is fully compatible with M16 and M4A1/2/3 variant. It utilizes the high-low propulsion system to keep recoil forces low.

The M203's lethality and broad versatility make it the prime choice of the U.S. and Foreign Armed Forces as an essential weapon in both offensive and defensive operations.

- Maximum Range of 450 meters

The M203 System includes a Leaf sight and Quadrant Sight.
