

M203 EXPIC

DAYCRAFT 
SYSTEMS

The Daycraft M203 EXPIC system, is a breech-loaded 40mm grenade launcher fully compatible with any 1913 Picatinny Rail. With an extended receiver to accommodate all rounds, to include Star Parachute Rounds.

The M203's lethality and broad versatility make it the prime choice of the U.S. and Foreign Armed Forces as an essential weapon in both offensive and defensive operations. Stand-Alone conversion kits and mounting hardware are available for the AK-47.

The M203 System includes a Leaf sight and Quadrant Sight.
