President's Message

Kathy Anderson, President

LeClaire Chamber of Commerce

Making Differences. As we welcome summer and continue to support one another, I want to share with you a recent experience I had at the LeClaire Library. The Library, like so many of our businesses, found ways to reach out to patrons and customers during the challenges of the past year. Our family loves visiting the Library, especially the Summer Reading Program and the Butterfly Garden. I've lived here for 10 years and never applied for a LeClaire Library card. Now I have one!

This card had a surprising impact on me. As I looked at my new blue card, I began to think of the many advantages of living in LeClaire. We have great schools, medical doctors, chiropractors, physical therapy centers, insurance agents, gym and fitness centers, churches, hotels, guest houses, pet services, expanded parks and recreation opportunities, downtown shopping, restaurants, riverfront, volunteer opportunities and SO much more!

My friend from Chicago tells me how lucky I am to live in LeClaire. When she visits, she says it's like being on vacation. I think about that a lot and what it means to live in such a vibrant river town. We've been through challenging times and this summer our stores are fully reopened. We are welcoming back many of our treasured events, like Food Truck Fights, and Tugfest. New event centers are opening, the Twilight is cruising and visitors are returning to experience the charm of LeClaire. And, the Chamber is again hosting in-person events, like networking, business openings, relocations, new services – we want to celebrate with you!

Last June I shared with you that recovering from difficult times means working together and supporting one another. We've done just that. This summer I invite you to think about the small differences you can make to strengthen our community. **Tell us how you are doing that by posting on our Facebook page. Do this by July 1 and we'll pick a random winner to receive \$50 in Chamber Bucks.** Write a review, share a post, tag a business or friend, post a picture and give a shout-out – these are just a few examples of how to make a small difference. You can also make a difference by renewing or joining the Chamber. We have been serving LeClaire for 40 years and invite you to celebrate that anniversary with us in September.

Our communities would not be the same without small businesses.

President, LeClaire Chamber of Commerce

Shops with Hops

LeClaire small businesses were happy and excited to host over twelve local breweries for the 4th Annual Shops with Hops on Saturday, May 22nd. The sold-out event, with 300 participants, was held downtown LeClaire from 3:00-6:00 pm with an after-party at Green Tree Brewery.

LeClaire businesses also donated items for the after-party to be raffled off to raise money for local LeClaire non-profit, “Getting Heroes Home”. They were able to raise \$2,831 dollars! The shops that hosted breweries were: Grasshoppers Gift Shop, Letty's Design & Décor, Razzleberries Fine Gifts, Bela, Decades, The Shameless Chocoholic, Mississippi River Distilling Co., Riverview Roadhouse, The Crane & Pelican, Dirty Water Music Co., What BBQ, Cody Road Coffee, Royal-Tea, Navigate Realty – The Doering Team, and Bamboo Baby Boutique.

**TugFest Is Back – Pulling
Together 2021!**

Established in 1987, the Tug is back on for 2021. Check out the new logo created by MindFire Communications. This logo will be on t-shirts that you can buy to support TugFest and River Bend Food Bank, chosen as this year's "Tug for a Cause!" Two dollars from every t-shirt sale will go to River Bend to support their work to fight hunger in eastern Iowa and western Illinois.

Here's a preview of Tug events. Check their website as more updates become available:

Carnival: August 12-14

Family Night: Thursday, August 12

Parade: Friday, August 13, at 6pm

Fireworks: Friday, August 13, at 9:30pm

Tug Run: Saturday, August 14, at 8:30am

Kids Tug: Saturday, August 14, at 11am

Adult Tug: Saturday, August 14, 12pm

Don't miss a chance to win weekend passes and a VIP package! Each time you like and share on the Tug's Facebook page, your name will be entered into a drawing to win weekend passes for two. Drawings will be twice a month in June, every week in July and every day August 1-8. On August 9, the VIP package for 2 will be drawn. The more you like and share, the more chances you have to win!

The Bison Bridge

Imagine strolling across the I-80 Bridge with your family in hand, admiring the mighty Mississippi below, the pelicans flying above, and the bison grazing alongside you. It sounds pretty incredible, right? It may even be hard to imagine, especially now since thousands of cars & semis travel over this bridge daily. BUT, this amazing idea and concept comes from the Quad Cities own, Chad Pregracke, and he's had this dream for years! He has dubbed it The Bison Bridge and sees it as the future attraction of our area.

The dream is to reinvent/repurpose the existing I-80 Bridge when it's time for a new bridge to be built (which is soon). This project is in the early stages but is

quickly picking up momentum, thanks to articles like the one in the Chicago Tribune published in April. “It is an outside-the-box idea, and some people would say it’s crazy,” Pregracke said for the Tribune. “But if it were anything but that, would people really stop here to see it? It has to have some level of crazy for someone to say, ‘I have to see that for myself.’”

After seeing the renderings and hearing Chad speak about this dream and vision—it’s really hard not to feel the excitement and magic of this “outside-the-box idea.” However, the vision itself will not make this a reality. The fate of the current I-80 bridge lies with the State of Illinois Department of Transportation, along with the United States Department of Transportation, Federal Highways Administration, and the Iowa Department of Transportation. The Bison Bridge Foundation’s mission is to show these agencies the benefit of building a new structure while repurposing the existing bridge to be the one and only of its kind in the world, The Bison Bridge.

The Bison Bridge Foundation’s main focus right now is looking for support in the form of signatures and by doing so; they hope to show by public opinion that this one-of-a-kind bridge would be a worthy investment. Per their website, “Phase I engineering is now underway in Winter 2021, and it is this phase in which our opportunity lies to get our project considered for approval by the State of Illinois and the Federal Highways Administration.”

The long-term goal for this project is to claim a National Park title but first we need to show up and join the herd. Join the movement by signing your support on BisonBridge.org, volunteering for the cause, posting the Bison Bridge logo on your business (or on your car, shirt, hat, dog, it all works), and just by SHARING the word!

Chamber's 40th Anniversary!

The LeClaire Chamber is celebrating its 40th anniversary this year! As we prepare to officially celebrate in September, we're taking a look back and talking with former Board members. We'll share those conversations with you starting with this reflection from Dr. Rick Reed, former Chamber Board President and CEO/President of Adesign, Inc.

We'll continue seeking out and sharing these stories with you as we celebrate this year. If you have a story you would like to share with us, please contact Kathy Anderson at kathy@leclairchamber.com.

A Brief Reflection on LeClaire Chamber in the 21st Century

It is with great pride and joy to reflect on the LeClaire Chamber of Commerce's 40th anniversary.

For the past 23 years, I have had the honor and privilege to play a role in and witness immense growth and positive change in our historic community.

Prior to my tenure during LeClaire's downtown revitalization from 2003 - 2007, Gwen Wigley served as the LeClaire Chamber of Commerce President from 1998 - 2002. I was very fortunate to have learned a great deal from Gwen as I served as a chamber board member. Gwen was an amazing, gifted leader who was transparent, inclusive and authentic. She always had a smile to brighten the day for all she met. Gwen was especially gifted in her ability to bring everyone together during some very challenging times for the LeClaire Chamber of Commerce. At that time, many LeClaire businesses were struggling and seeking direction for sustainability and growth. Gwen was able to help everyone see that there were brighter days ahead for all. This helped set the stage for what was to come.

After Gwen's tenure as President, I was voted in by our membership as President along with Lane Bleeker serving as Vice President in 2002 - 2008. With a host of absolutely amazing board members including Steve Suiter, Chris Cournoyer, Debbie Mulvania, Mike Clingsmith, Dayle Hall, Deb Willaredt, and Gwen Wigley, a new vision for LeClaire began to emerge.

Seeing the need for a definitive identity, a branding campaign for LeClaire and the Chamber was initiated with donated designs, marketing and advertising from my marketing firm, Adesign, Inc. A new logo and marketing strategy helped secure LeClaire's future as a wonderful community for residents and visitors alike. With the primary vision to revitalize LeClaire for the 21st century, promoting an active Chamber membership became a focus for building strength and unity throughout our community.

With a proactive board driven membership drive, LeClaire Chamber membership quickly exceeded 325 members. Input was sought from all members to understand what they would like to see their Chamber accomplish. Results from the survey called for the Chamber to be proactive in developing community relations and awareness of our existing businesses and to revitalize our downtown area in great need of updating and repair. It was believed that in doing so, a new era of improved relations and pride in LeClaire residents and businesses would result. This would promote expansion and growth as well as encourage new business development. While maintaining the historic and cherished culture of our beloved small town community, this desire for sustainable growth became reality through the dedicated, hard work of all involved.

After meeting with several business owners, community residents, civic

organizations and city hall, a much needed plan for revitalization came into focus as a priority. With the blessing of my board members and city hall, I secured assistance from Iowa State University's (ISU) Planning Landscape and Community Enhancement Program (P.L.A.C.E.). The ISU program involves graduate students, professors and many ISU resources. P.L.A.C.E. chooses only one Iowa community each year to help plan and design a new vision for growth and prosperity.

Fortunately, LeClaire was chosen for 2003. After four months of working with ISU's graduate students, a visionary presentation was proposed to LeClaire city leaders for consideration in November of 2003. Having unanimous support, LeClaire Mayor Vern Spring, Administrator Ed Choate, and council members including Rodney Collier, Mike Wolfe, Bruce Richardson, Debbie Smith, and Mary Farmer were able to secure the nearly 7 million dollars needed to proceed with the revitalization plan in 2004. After working with architects, design engineers and construction firms, our visionary plan was put into action with completion of the levee and main street revitalization in 2006.

After my tenure as President serving from 2002 to 2008, many great board members and Presidents including Lane Bleeker, Debbie Mulvania, Mike Clingingsmith, Dayle Hall, and current President Kathy Anderson followed to continue the legacy of the LeClaire Chamber of Commerce helping LeClaire continue to prosper. Assuredly, the future continues to look very bright well throughout the 21st century and beyond for LeClaire.

LeClaire City Wide Garage Sale Weekend

Whoa! Can you say amazing! The city of LeClaire was a hustle with people from bordering towns and some from even up to an hour away, just to enjoy our City Wide Garage Sale Weekend for 2021! In total, there were over 65 residential houses registered for this City-Wide event, and even a handful of local businesses, including Grasshoppers, who hopped on board the garage sale train!

It sure was nice to get out, enjoy the town, meet our neighbors and enjoy a little

treasure hunting! What was your favorite stop you made??

Hold on to your hats, because we might just have another sale weekend in the works for Fall 2021! Will you be ready??

Tourism Talk with Cindy Bruhn

Many love to play in LeClaire! The 4th Annual Shops with Hops, a fun event for craft beer aficionados, was on May 22. They sold out, in advance, 300 tasting glasses and had 12 shops participating with samples of craft beer. The after-party was at Green Tree Brewery with “Getting Heroes Home” receiving a donation of \$2,831 as the event charity. The event organizers always do a great job of highlighting local shops and craft breweries to remind us to “Shop Small / Shop Local”! Of course, we can’t thank the public enough for coming out to have fun in LeClaire and supporting our businesses!

Memorial Day weekend saw the beginning of the 1.5-hour sightseeing cruises on the Riverboat Twilight. If you haven’t been on the Twilight before, I can’t recommend this enough. All ages enjoy it! They are offering sightseeing cruises every Saturday through August (except for August 14), September 18, and October 16 at 11am, 1:30pm, and 4pm. And don’t forget – they offer spectacular 2-day cruises that can’t be beaten, too. Check out www.riverboattwilight.com for more information and to make your reservations.

NEW this year is the re-invented first Friday of the month event now called Friday Night LIVE! Find FUN in LeClaire with 8 live music venues, shops open late, and specials at the bars and restaurants starting on June 4. More information can be found [here](#).

Back by popular demand are the City-wide Garage Sales on June 4-5 sponsored by the LeClaire Chamber of Commerce this year. LeClaire has the best garage sales for a huge variety of gently used (and sometimes new) treasures!

Of course, there’s wine tasting, live music outdoors, car shows, Tug Fest, and much more coming up, including the 4th Annual Food Truck Fight on June 18-19. This year, it has been broken up into three smaller events to make it more

enjoyable for attendees and to allow for social distancing. Be sure and get your tickets NOW – they are only being sold in advance online [here](#)..

There is so much fun to be had (including great shopping, dining, and touring) that I can't mention everything here. If you want to keep updated on all the great events going on in LeClaire, you can go to www.visitleclaire.com and submit your email address to receive our e-news that goes out twice a month or check out our website anytime. You can "Like" us on Facebook (LeClaire, Iowa), too, to see daily updates and find us on Twitter and Instagram.

If you want to be part of the excitement and volunteer at the LeClaire Information Center, please contact me at info@visitleclaire.com . We have a lot of fun!

Sertoma Centre, Inc.

Sertoma Centre, Inc. is a nationally accredited, non-profit agency that provides services to nearly 1,700 individuals with developmental and/or intellectual disabilities and those living with mental illness.

Sertoma Centre, Inc. began in 1971 as a job training center that provided employment and training opportunities for individuals with disabilities. While the Centre experienced significant growth in the past 50 years, their mission of providing opportunities that empower individuals with disabilities to achieve personal success remains steadfast. Attaining their vision of all people with

disabilities living, working, and fully participating in their community is the focus of their work.

Their Intellectual and Development Disabilities programs include developmental training, autism services, senior programming, community employment services and support, skills training, and residential services. Sertoma Centre operates nine residential homes and oversees individuals in intermittent living arrangements.

Their Community Mental Health and Counseling programs and services support adults who experience mental illness to work toward personal recovery.

Support may include individual- and group-based services, skill-building, psychoeducation, and therapy.

Sertoma Centre also offers Janitorial Services that provides top-quality general cleaning and specialty services to businesses and homes.

Here's the Scoop-LeClaire

We are a locally owned, family shop. We opened our doors in the spring of 2017 and in the summer of 2018, we added an ice cream truck!

Here at the "Scoop", we offer small batch handcrafted gourmet ice cream using the finest ingredients. All of our ice cream is made in the shop and served in our homemade waffle cones, bowls, or a cup. We have ice cream sandwiches too! Order an ice cream cake for that special occasion.

Come Check out the different flavors we offer!
