ATHLETIC BOOSTER

As you know, participating in High School Athletics is one of the most exciting and memory-filled spaces for our youth today. The lessons that are learned on and off the field through hard work, dedication, and working as a team are invaluable and will last for years and years to come.

Folsom High School Athletic Boosters' mission is to foster this growth. We aim to empower and support all of our student-athletes to reach their full potential. We strive to foster a culture of excellence both on and off the field, encouraging our athletes to not only achieve their best athletic performance but also to develop into well-rounded individuals. We are dedicated to providing the extra resources and support necessary for our athletes to succeed and take pride in their accomplishments.

Whether you are new to Folsom, new to athletics, or a long-time donor, we are so appreciative of your willingness to donate to our program! We are a dedicated 501c non-profit established almost 20 years ago to make it possible for amazing things to happen for all our Folsom Athletes.

So THANK YOU from the bottom of our hearts for considering a donation today to our program(s). We are indebted and appreciate your generosity in so many ways.
