

GREETINGS!

Thanks so much for your interest in the WILLYS OVERLAND JEEPSTER CLUB! – We were founded in 1966 by several folks who loved the 1948-1951 Jeepsters built at Toledo, Ohio. Back then, the cars weren't even 20 years old yet and could be bought and sold for a few hundred dollars. Today? They're 75 and one recently sold at Mecum auctions for \$44,000.000 with the record Jeepster sale at Barrett-Jackson at \$55,000.00!

One of our founders, Jay Sherwin coined the phrase that became our motto.... "Love at first sight... It lasts a lifetime!" about our wonderful little cars.

Our members have cars that range from museum quality restorations to average drivers, to basket case projects. All are welcome!

One of my favorite things is receiving an email like yours and learning that someone has acquired a '48-'51 Jeepster and they're very excited about it. These wonderful little cars are virtually unknown to the public and it's great to learn of someone who appreciates them!

I am attaching a sample copy of our "OLD CARS WEEKLY – GOLDEN QUILL AWARD" winning newsletter, JeepsterNews. It's published and mailed out monthly, it contains stories about our members, news about our two annual Jeepster Meets held at locations around the US & Canada by host members, and classified ads. Placed by our members and professional parts sellers.

Club members get access to 'Members Only' pages on our web site at www.jeepsterclub.com and we have a 'Secret' Facebook page where members swap photos and stories about their cars. We also do ZOOM online membership meetings which we started during the pandemic. We are also starting to post interesting photos/facts on Instagram.

Members can place free classified ads in JeepsterNews, on our FB page, and on our website.

A membership form and sample newsletter are attached.

If you currently own a Jeepster, will you please be sure to share your car's "VIN" with us? We are trying to ID how many of the 19,131 built at Toledo, Ohio that may have survived.

We sure hope you join our club and hope we can say "WELCOME ABOARD" very soon,

Pete Mozzone, President / Newsletter Editor
