Job Title: Director

Hello Mom and Dad! My name is Courtney Moore, and I am thrilled to be your director here at Dear Ones in Cleburne. Welcome to our family and I personally look forward to getting to know all of you.

I am a wife and a mom of 3 kiddos. This year in 2024, I will be completing my bachelor's in child development, a journey that has fueled my passion for caregiving. From a young age, I recognized my deep connection with nurturing young minds. It brings me joy to witness their growth through each stepping milestone.

I have dedicated myself to this field, earning not only My bachelor's in child development, but also my Director Credential and various certifications to ensure I provide the best care. Taking pride in childcare isn't just a profession for me; it's a calling, and I am excited to embark on this journey together.

I look forward to sharing many memories together as your little ones grow here at Dear Ones!
