THIS MONTH'S ISSUE

Due to the seasonal holidays and the recent epidemic of influenza, we have fallen behind with publication again this month. It is now into the second week of 1970 but hopefully we should get it into the mail within a few days.

We have very little news of general interest, and last month's plea for contributions seems to have gone completely unheeded, so it is probable that this front page will be half full only. This month's contents are, therefore:

One page of general interest - 1 sheet

Overprints postally used by Miss Thornton - 1 sheet

Page 81 of the Simplified catalogue - 1 sheet.

Pages S10, S11 & T1 of the Identified Catalogue - 3 sheets.

NOTE: The current listing for "S" is now completed and previously issued pages may be discarded.

MONIES OUTSTANDING

A number of members have not yet renewed their subscription for 1969/70. According to our rules these members automatically cease to be members on 31st December following the subscription date of 1st September. If this page on your copy carries the note "FINAL REMINDER" then it means just that. No further issues will be sent until we hear from you.

Similarly, some members have not yet settled their outstanding debts on the "Jennings" publication. If you are one of these members would you please let the Treasurer have the amount noted below?
