SUBSCRIPTION

Another year has passed and once again it is subscription time for the majority of our members. As in past years a cross will be placed alongside this paragraph as a reminder. Please let the Secretary have an early remittance if your subscription is due.

THIS ISSUE

I am afraid that this issue will once again be late and rather smaller than normal. My lack of spare time continued for longer than expected and the situation has only just eased. consequently this issue will probably not get into the mail until about 9th or 10th September.

The next issue should see us back to normal I hope.
