A Word from our Pastor — Robert Bennett

I Love To Tell the Story!

What a wonderful hymn. We have been singing this hymn in our churches for over a hundred years. The question that should come to our mind is this, "Do we love telling others about Jesus?"

The Christian church seems to be growing today. But what kind of growth is the christian church experiencing today? For many churches that are proclaiming growth they are experiencing transfer growth. This is growth but it is not the growth the Word of God calls for. Therefore, many churches are growing in number but at the expense of other churches decreasing. Someone said, "only where christians are telling others the "Good News" does the

church spread and increase. Where there is no faithfulness in proclaiming Christ there is no real growth."

The growth the Christian church should be experiencing is seeing others meeting Jesus as their Savior. When the church loves telling the story of Jesus and His love, then real church growth will take place. Jesus gave the Christian church the "Great Commission," Matthew 28:18-20. "We are to keep Telling people the story of Jesus." Let us Tell someone today of His great love towards them.
John 14:16

COMMUNITY WELCOME BAGS

MHBC is launching a new concept replacing the welcome bags. Our goal is to encourage all of us to build relationships with our neighbors. We will have bags loaded with snacks, gifts, and informational items which can be dropped off to your neighbors both old and new. You can find them hanging on the coat trees around the church.

MHBC is offering an online Sunday School class. Partners for Christ. The class is taught by Wes Breazeale every Sunday morning at 9:30 am. The zoom link is available on our website in the Event section.

Mother's Day Out

— by Sharon Cummings, Director

How quickly the school year is wrapping up. We've had a busy but fun spring. SA Police Officer Doug Greene is always a treat for our children. He visits with our Pre-K children first, then all the children go outside. This year the motorcycle patrols couldn't visit because it was in the middle of Fiesta Days, and that is their priority. All hands-on deck.

Fiesta at MHBC MDO is always a fun day for the children. During their recess time, they are treated to nachos, then a pinata followed by time in the bounce houses. We send them home tired.

Pre-K classes will enjoy their end of the year field trip to McKenna Children's Museum, followed by lunch at Landa Park in New Braunfels.

Last day of MDO will be Thursday, May 23. Our Pre-K graduation will be Friday, May 24 with the 3-year-old classes performing.

Fall registration has opened and the early response has been great. If you know friends or family looking for a Christian, Bible based Mother's Day Out, please have them call or e-mail me. I schedule tours of our facilities and answer any questions they may have.

As always, I need loving subs during the year. I do not know about teacher needs until I have student numbers to determine classes.

Thank you to our church family who supports us in prayer, encouragement, and anonymous donations. We are blessed.

HELP SPONSOR A STUDENT

Please help us get all of our students to youth camp

Summer youth camp is a chance for our students to take a week and focus purely on Jesus, the Word, and their relationship with God. We try to ensure as many students as possible can go by asking them to cover only a small portion of their registration fee. We are asking the church body if possible as a class or individual to please help us sponsor the students to go to camp. The cost for one student to go is \$345. Even if only part of that is covered it will be incredibly helpful for the youth group. We thank you for all of your support that you given us and any support you will offer in the future!

ANY AMOUNT WILL HELP!

Donations can be made to "Youth" or "Youth Camp" through regular church giving via cash or check in offering envelopes or online.
