Ain't no sunshine	Kansas city
America the beautiful	Knockin' on heaven's door
Big John	Learning to fly
Blue moon	Lone gone lonesome blues
Catch a falling star	Mack the knife
Country roads	Military medley
Don't think twice	On the road again
Drift away	Prisoner of war
Eagle	Rakkason man
Folsom prison	Sixteen tons-hit the road Jack
Freedom	Slip slidin' away
God bless the USA	Somewhere over the rainbow-wonderful world
Green river	Stand by me
Hallelujah	Star spangled banner
Have you ever seen the rain	Summertime
Hit the road Jack	Tennessee waltz
House of the rising sun	This land is your land
How high the moon	Unforgettable
I believe	Wagon wheel
I shall be released	Weary blues
I walk the line	Will the circle be unbroken
I won't back down	You are my sunshine
I'll fly away
