FAQ

Common Questions For Weddings and Catering

Can I use a Catering Package for a Wedding

The Short answer is Yes. However, there is a major difference from a Wedding Package and Catering Package.

Catering Packages are meant for private events with food service only lasting 2.5 hours with a 1.5 set up and 1 hour clean up, staffing cost additional to the package. Wedding Packages are 3 hours of food service which include apps and main entrées.

They are all-inclusive packages that can integrate multiple services for the entire duration of the event.

Most halls or Venues Require Catering Staff on-site the whole time, we usually find it more cost effective for clients to use Wedding packages (Staffing cost for 10 hours included in the price per person, plus any additional time and add ons)

Are there any fees in addition to the menu price?

The Only Additional Fee is a 15% Gratuity!

Can we use our own bartenders?

Thousand Acre Farm requires use of their own bartenders.

What if I want to change my menu?

No problem! Once you've secured your event date with a deposit, you'll have the freedom to adjust your menu items and services as desired until 2 weeks prior to your event date.

What is your cancellation policy?

Please Ask your Sales Rep about our Rain-date policies (always double check with the venue to see what their policies are as well)

The deposit shall be non-refundable for any reason that is the customer's fault or acts of God.

*If at least 30 days notice is provided, we will forward your Payments toward a future Date within 6 months of event original contracted date, provided we have availability for the new date.

* If fewer than 20 days notice, we will require the payment of 50% the remaining Balance after the 50% Deposit.

* If less than 15 days notice, the total remaining balance will be due.

* Plus: Any other real charges incurred by Michael's Event Catering on behalf of client (I.e. Tasting Fees, Pre-Paid Rentals, Staffing, etc.) are non-refundable.

* 4% Credit Card Processing Fees on any payments processed are non-refundable.

Event Insurance can easily be purchased at www.wedsafe.com or through numerous other insurance providers.

What about the leftovers?

In the event there is leftovers, we provide containers for clients and guests to take home.

When do you need to know the number of guests?

We will need your final guest count 2 weeks prior to your event date, which is also when the final balance will be due.

After that point we can go up in count, but not down

What if I have changes within 2 weeks?

In order to move forward with event preparations, ordering, and staffing, we ask that all details are finalized 2 weeks prior to your event.

We understand that things can arise in those final weeks of planning that were not previously anticipated, and with the exception of lowering your guest count we can generally make minor adjustments .

Can I substitute items or change the menus?

Yes! All of our menus are suggested popular combinations, but only a place to start.

We are very flexible and can vary menus to suit your needs. Any combinations are possible - just ask!

Can we subtract appetizers to help lower the cost per person?

Unfortunately, No. If we designate that we have to bring 1,200 apps for 100 people, it doesn't change if it's 5 options or 12 options we will still bring 1,200 apps

Are there vegetarian, vegan, gluten free, and allergen free options?

Yes, we have many options for vegetarians, vegans or those with food sensitivities.

Please let us know how many guests require an alternative option, and we will work with you on a menu custom to their dietary needs.

Is gratuity included?

In an effort to ensure a seamless wedding day and prevent our staff from any interruptions during the events, an 15% gratuity will automatically be added to the subtotal.

You are always welcome to Tip more if you like.

What if more guests show up than preplanned?

As long as the guest count doesn't exceed the allowed amount in the venue, our staff will have no problem handling additional people.

Any additional guests will require additional charges the day of the event and will also need to be paid that same night.

The Venue may also charge depending on what is needed.

Can we add food on for the next morning?

Absolutely, Please make arrangements prior to your event.

Our staff can bring the cold trays of food items to be reheated the next morning.
