

ANNUAL NEWSLETTER 2023

A MESSAGE FROM WILL

What a significant year for The Grace Institute. From the development of the Ugandan groups to the work that began in Argentina...from the new team members to the celebration of 10 years as a ministry, it's easy to look back on these past 12 months with a grateful heart.

I remain encouraged that the Lord continues to see fit to use this ministry throughout various parts of the world. I, along with the rest of the staff, continue to enjoy hanging on tight to this fast moving train. It's been quite the journey, and I have no doubt it will remain exciting around every turn.

I am grateful to the TGI staff for their tireless efforts and great attitudes. I'm thankful for the financial supporters for their generosity. I remain overwhelmed at the support from our ministry partners. Most of all, God is good, and His goodness never fails.

I can't wait for 2024!

WILL SAVELL
PRESIDENT

All Scripture is breathed out by God and profitable for teaching, for reproof, for correction, and for training in righteousness, that the man of God may be complete, equipped for every good work.

FREEDOM FEST

Tanzania

We have partnered with Trinity Center for World Mission for our next facilitator training. Today, we are waiting on permits to be finalized so that construction can begin. Once begun, we can plan and execute the project.

- The location has been selected.
- The buildings have been planned.
- The students have been chosen.
- The professors have committed.

A Freedom Fest is a worthwhile endeavor that creates an infrastructure for quantitative and qualitative growth.
