Hello Friends!

It's that time again! Registration is open for the 21<sup>st</sup> Annual Golf Classic for the Cure. The annual 4-person golf scramble is our Bouncin' Buckeyes team's fundraiser to support the Susan G Komen 3 Day. Each teammate must raise a minimum of \$2300 to participate in the walk. Your sponsorship allows our team to achieve our fundraising goals and then we can focus on the 16 weeks of training. The Susan G Komen 3 Day is a 60-mile event to raise money to build a world free of breast cancer through research, community, care, and action.

A recap of 2023, as we could not be planning our 21<sup>st</sup> event without our amazing supporters! We appreciate you!

At the 2023 Golf Classic, with the generosity of our sponsors, golfers, and volunteers we raised **\$48,240** at the 20th Annual Golf Classic for the Cure for Susan G Komen 3 Day. To view some of our pictures please visit: <https://www.facebook.com/BouncinBuckeyes/>

October 27-28, 2023, the 2023 Bouncin' Buckeyes team, Bobbi Duty, and Rachel Brown, participated in the 60-mile event in Dallas and raised \$80,234. We were recognized as the 3rd top fundraising team and earned the Small But Mighty Fundraising Award. Rachel was recognized as the top individual fundraiser by Bank Of America. Together the 2023 Susan G Komen 3 Day events (Chicago, Boston, Denver, Dallas, and San Diego) and their generous donors raised \$13.4 million. **Thank you!**

In 2024, the Bouncin' Buckeyes Team is participating in the Susan G Komen 3 Day in San Diego, CA November 15-17<sup>th</sup>. **Our team goal is BIG, and with your support we will raise \$50K.** We create big goals because the money we raise supports Susan G Komen and the goal to find a cure for breast cancer. It's wonderful to see the advances in treatments and testing since our team started walking the 3 Day event in 2005. With the support of thousands like you, the Bouncin' Buckeyes have raised over \$700K. **Thank you!** This is only possible because of events like our Annual Golf Classic and your support. Because of you, and the funds we raise, Komen can save lives by meeting the most critical needs in our communities and investing in breakthrough research to prevent and cure breast cancer.

Since 2005, the Bouncin' Buckeyes team has raised over \$700,000 for Susan G. Komen 3 Day. Thank you! We are excited to host the 21<sup>st</sup> Annual Golf Classic for the Cure on May 20, 2024, and are asking for your individual and company support. Become a sponsor, player, or donor to help Susan G. Komen build a world free of breast cancer through research, community, care, and action. Our 2024 goal is to raise more than \$50,000 at the Golf Classic with your support. **It may be hard, but not as hard as breast cancer.**

Early bird golfer registration is due by **March 12<sup>th</sup>** and all sponsorship and partnerships are due by **April 9, 2024**. To register, please complete the below forms. Forms can also be downloaded from <https://bouncinbuckeyes.org>. If you have any questions or would like to create a sponsorship level tailored to your company, please email Rachel Brown [bouncinbuckeyes@gmail.com](mailto:bouncinbuckeyes@gmail.com). Thank you for supporting our Bouncin' Buckeyes team and the mission to end breast cancer.

Gratefully,

2024 Bouncin' Buckeyes Team; Carol Brown (Survivor), Angel Brown, Rachel Brown, Bobbi Duty, Billy Grace, Heather Grace, Mackenzie Ruschill, Zac Peters, and Staci Peters

**Ending breast cancer needs all of us. Join our movement to stop breast cancer.**

- Susan G. Komen’s® Patient Care Center supports people facing breast cancer by providing trustworthy information, guiding them to needed resources and eliminating barriers to high-quality care through direct patient services like patient navigation and financial assistance.
- When you support Komen, you’re helping to ensure breast cancer patients have access to the resources they need – including research, care, advocacy, and community.
- Your support provides hope and help to families whose lives have been turned upside down because of breast cancer.
- Because any one of us could face breast cancer, we're all in this together. Ending breast cancer needs compassion, research, and care.

**Join our fight. Save lives. Together, we can end breast cancer. Forever.**
