SURVEY CREW CHIEF

Located in Surrey, BC, Dhaliwal and Associates Land Surveying is currently looking for a motivated **Survey Crew Chief** to join our team.

Our practice focuses on variety of cadastral, topographic, engineering, and strata projects throughout the Lower Mainland and Fraser Valley.

Overview:

- Complete projects in a safe & timely manner using total stations & GPS equipment
- Submission of detailed field notes and other survey records
- Timely and organized submission of downloads and field notes
- Communicate regularly with supervising Land Surveyor or Office Manager to update status of projects
- Lead 1- or 2-person survey crew as required
- Upkeep and maintenance of company vehicle and equipment

Qualifications:

- minimum 2-year technical diploma and 2-years related professional experience
- previous experience with MicroSurvey or Civil 3D
- previous experience with GPS and robotic total stations
- able to interpret a variety of legal plans, architectural drawings and field notes
- physically fit and able to work on a variety of projects in all weather conditions
- valid BC Class 5 drivers license
- excellent communication skills and ability to work as part of a team
- fluency in spoken and written English

We offer a friendly work environment and a competitive salary & benefits package commensurate with experience. We believe in empowering and supporting our employees, and offer opportunities for professional development and articling opportunities for the right individual.

Those interested in applying for the position may email their resume in confidence to Mark Dailey, *BCLS* at mark@dhaliwalsurvey.com.
