## 4T FOUR STROKE OIL SAE 20 W50

For Motorcycle & Auto Rickshaw

X Bajaj BY OX is high - performance motor oils developed specifically for motorcycle and Auto Rickshaw Four-stroke engines. it meets stringent requirements of motorcycle and Auto Rickshaw manufacturer with large performance reserves. it is suitable for use in all air and liquid cooled motorcycle and rickshaw engines. Optimal lubrication of transmission and clutches lubricated by motor oil circulation is one of its highlights. strong lubrication film and high oxidization stability provide excellent high -temperature resistance. Fast oil supply to all engine parts results in optimal anti-wear properties especially important in this temperature range and in strong, long-term engine protection in short- distance driving and in continuous operation. X Bajaj BY OX prevents piston and valve deposits as well as slipping or sticking clutches after cold start.

Formulated in Germany   
Virgin Base Oil Made in UAE
