To whom it may concern:

We hired Hunks and Punks Band to play at our wedding on November 17, 2018 at *allsaints Event Space* in Ottawa. We had never seen them live but had viewed their sample videos online. Their performance on our wedding day exceeded our highest expectations!

From the very beginning they were professional and attentive. We were given a list of over 140 songs to choose from, across all genres, as well as additional songs that were handpicked according to our style, that they were willing to learn for our big day. Their willingness to learn new songs and accommodate our requests really made the experience of working with them that much more enjoyable.

The band played three 75-minute sets and an encore! One of the largest compliments we received by our guests was how amazing the band was. It really set the tone for our wedding and we could not be more grateful that we were able to book Hunks and Punks!

Yours very truly,

We hired Hunks and Punks for our wedding in September 2018, which took place at Lago Bar and Grill in Ottawa.

As soon as Hunks and Punks started their first song (Uptown Funk), the dance floor quickly lit up with guests of all ages – and it did not stop until the last song ended! We received compliments from so many guests throughout the night about the band's sound, song selection, and energy!

What initially drew us to Hunks and Punks was their VERY impressive horn section, the incredibly talented lead singer, their wide variety of songs – from top hits, to ballads, to 60s Jazz – which is an unmatched selection by any other band that we looked at! (Not to mention their professionalism and the experience that they brought).

So many of our guests told us that our wedding was the best that they've ever been to, and we KNOW that Hunks and Punks played a huge role in that! Tim (our contact leading up to the wedding) was a pleasure to work with. He was patient and always quick to respond to all of our questions!

I would highly recommend Hunks and Punks to anyone and everyone looking to set their event apart!

Thank you so much, Hunks and Punks, for everything!

FANTASTIC – from the first song to the last song, the dance floor was packed all night long. Thank you all so much for making our reception so amazing and fun for everyone. We had so many compliments about your band and that your musicians set you apart from other bands. Thank you to your engineers and other staff for working so hard to make our day a special one.

We really loved the added touch with the personalized video you presented to us after, it was great to hear all the guests commenting on the wedding and giving it a personal touch, you truly went above and beyond to make our day special, and it did not go un-noticed.

We would highly recommend the Hunks & Punks not just for weddings, but for any occasion really, your customer service, patience was really appreciated.

We also really appreciated that the band took the time to learn several new songs that we requested, not many bands would go the extra mile like that and we truly appreciate it.

For any Brides & Grooms looking for a band that will really get the party going, you really cannot look further than the Hunks & Punks.

Again, thank you for making our wedding the great night it was, all the best for the future

Subject: Reference Letter for the Hunks & Punks Band

This letter is in reference to the Convergent Technologies corporate Christmas Party which took place on December 6th, 2017 at the Brookstreet Hotel in Ottawa.

Our evening entertainment for the night was the 'Hunks & Punks Band' and they had the crowd rocking and dancing from their opening number. The band features so many different instruments in addition to the usual guitars and drums. They have 2 saxophones, congas, harmonica, flute, keyboards and played a very wide variety of music genres given their versatility.

As mentioned, this band had everyone up and dancing all night, and given the ages from mid-20's to mid-50 year olds, they had plenty of music for all ages and all styles – rock, pop, country, soul, funk, blues, disco. They also played quite a bit of new contemporary music.

They were a very professional band, and presented themselves very well by being dressed appropriately for this formal occasion. The band performed for about 3 hours to the delight of the crowd, and also stayed for a couple of encores which pleased the last of the party-goers who didn't want it to end! The comments from the employees and dates/spouses were very complimentary.

We would recommend the Hunks & Punks Band to any and all types of venues as they can custom tailor their music to suit the respective engagement.

Thank you Hunks & Punks, you made the night of the party a very memorable one.

Regards,

Greg Taylor

Subject: Thank-You Hunks and Punks Dance Band!

Dear Tim,

The Hunks and Punks Band never disappoint! Your band gets better each time we hear you play.

As you know we have hired your band three times in the past year or so. First was our daughter's wedding in August of 2016 – with almost 300 people in attendance – we rocked the Brookstreet Hotel like it was never rocked before!

Then with a fundraising party this past March and a private party in June with over 150 people at each event the dance floor was packed from the time you started playing until the last song was sung.

The music and professional stage presence of the Band was fantastic and we so appreciated the fact that you went above and beyond with the custom songs you played for us!

The Hunks and Punks musicians are so talented, very professional and a ton of fun! We absolutely love how they interact with the crowd – entertaining and engaging.

We are now looking forward to the next event we have you booked for in October, my best friend's wedding – which will be the fourth event we have hired the Hunks and Punks to perform at. We can hardly wait!

See you on the dance floor!

Subject: Reference Letter – Hunks and Punks Band

This reference letter is for our “Dining with the Hearts” Black Tie Fundraiser event held with the Hunks and Punks Band at the top of the Marriott Hotel, Ottawa. Our event for 200+ people featured the Hunks and Punks Band and they provided a great night of entertainment, including:

- Dinner music trio performed during the meal,
- 45 dance songs after the meal for our entertainment - with three vocalists, saxes, congas, guitars and drums,
- Professional stage dance lights and sound team staging

The six musicians of the H & P Band were perfect entertainment for the wide age range of our guests- from university students to folks in their 70s (who consistently filled the dance floor). The band members were very professional and looked great in their black dress/tuxes. I had many compliments on their selection as the band and on their performance.

The band provided a very high quality event in every regard - you helped make our Black Tie event a great success!

Sincerely,

Jennifer Daccache

Subject: What a Wedding!

Though it was a year ago, my friends and family still talk about the great night of music at our wedding – the Hunks and Punks Band helped make our reception everything we wanted it to be and more!

I (Hannah) can't believe you pulled off Pat joining the band and singing "Mona Lisa" – we just saw Brad Paisley perform it live a few months ago and what a treat it was to have my husband sing it for me at our reception! The beautiful custom song performed for our first dance and the songs inserted for our parents were also just wonderful.

The music and staging of the band was just perfect for our formal wedding at this elegant venue. The dance floor was packed all night and your attention to detail in every aspect was very much appreciated. Knowing that we did not have to worry about a thing when it came to the music on the night of our wedding was such a blessing to us.

We had such a great time and we would both be happy to be references for you if needed.

All the best!

To whom it may concern,

The Hunks and Punks Band performed at Innovation, Science and Economic Development Canada (ISED) during National Public Service Week (NPSW) on June 15, 2018 from 1:30 to 3:30 p.m.

The band was very professional, punctual and dependable. They played a great set. Our Deputy Minister even played the keyboard with them! Finally, the feedback we received from employees was terrific!

For these reasons, we highly recommend the Hunks and Punks Band for your corporate events.

Yours sincerely,

Kathleen Connolly
