

2023-2024 COMPANY & CREW REQUIREMENTS

*If this is your child's first year doing a Company or a Crew, and they were placed in both a Company AND a Crew, please consider if it's in the best interest for your child to pick one, instead of both.

Class requirements:

Dance Company

3 class commitment: Company, Ballet, plus 1 class of their choice

Ballet Company

2 class commitment: Company, Ballet

Hip Hop Crew

2 class commitment: Crew, plus 1 class of their choice

Breaking Crew

2 class commitment: Crew, plus 1 class of their choice

- The Company & Crew program is a 10 month commitment, running from August 2023 through May 2024 and your child is expected to enroll in the minimum class requirements for all sessions within that time frame.
- All students & parents must sign our Company/Crew contract.
- This year we are implementing a costume rental fee of \$45. All costumes provided for companies & crews in the Fall must be returned.
- Parents of Company/Crew students are asked to volunteer for various tasks/events during the school year.
- Starry Night & Moments participation is mandatory. Starry Night is scheduled for December 3, 2023. Moments is scheduled for April 7, 2024. Our Spring Ballet is scheduled for May 5, 2024.

Aside from dance technique, one of the main components we consider is group dynamics: how will each member contribute to the Company or Crew, and how can we create cohesion among the dancers? Another aspect in the placement process is simply where we hope to see each student, one year from now. We believe their 2023-24 placement sets the course for their growth as dancer and will help them reach their dance goals in the best way possible.
