Equipment Configurator Instructions

Use the **Equipment Configurator** to set the inventory for Vents, CRRT and ECMO. Select the icon labeled **'Tile Configure'** and then the **'Equipment Inventory'**. Use the drop-down list to select relevant hospitals and equipment type. Click the blue pencil (edit) icon and type in the quantity and select save.

4.

Note: you can use the filters to narrow down our search by hospital and equipment. Home / Configurator / Equipment Inventory

Equipment Inventory

SYSTEM	HOSPITAL		ТҮРЕ	
ASANTE	All	/	All	>
- 1	All	1	All
