| <input type="checkbox"/> Non-Prescription Drugs | |
| <input type="checkbox"/> Bows and Arrows | |

Troop 6 Cell Phone Policy:

So... The troop rules have always been that we don't want phones at camp. We really, really, don't want scouts to call home during the week on them since it is an almost guarantee to set off home sickness if your scout is susceptible. Furthermore, the tents are not secure, we don't have any place to charge them, and cell coverage is terrible. Oh, and did I mention the inevitable rain? However, we do understand that today scouts use their phones as cameras and so on, and we are not fully outlawing them. Please understand, however, we will take no responsibility if a scout loses or breaks his phone, and if any scout is seen playing video games, wearing headphones when he is supposed to be listening, or doing anything else that goes against why we are out in the great outdoors, we will take their phones and lock them in one of the vehicles for the rest of the week.

Prescription Medicine Policy:

Any medicines that the scout has to take should be in a Ziploc bag with his name, Troop 6 Quincy, and Site: TBD. It is a LAW that the Camp Nurse administers all medications and if your scout has an EpiPen or asthma inhaler, you need to fill out the form for them to be able to carry it. The Camp doesn't care that your scout takes their own medicine at home.
