

WORKMANSHIP WARRANTY

This is a workmanship warranty only. This warranty protects your installation for a period of one year from the completion date of your work against defects in workmanship only.

This warranty does not cover any damage or defects due to or resulting from weather related occurrences such as freeze damage, excessive water conditions, ground movement, soil erosion, and wind damage.

All materials used in your installation are subject to their individual manufacturer's warranties and are not covered by this warranty; also the manufactures are responsible for material replacement, labor and shipping cost which result from the repair or replacement of their products.
