

MEETING MINUTES: CSH Baseball Program Meeting via Zoom 04/29/21

Congratulations for making one of the four teams for Chatfield Spring Baseball. Below are some of the topics we discussed at tonight's meeting.

School Covid Rules for Games: Only two guests at games per player. No Students allowed. Social Distancing Required.

Fees: \$440 for level III teams. Payment to South Jeffco Sports.

JV and varsity pay school fees: You will need to pay the school: \$175 activity fee. Another payment of \$265 to the booster club. This fee is normally over \$400. Booster Club is picking up the remaining amount. Bring checks to Saturdays Practice.

Uniform Deposit: \$100 for all players on all levels. Bring checks to Saturdays Practice. Note: these checks will not be deposited. They will be returned when uniforms are returned cleaned.

Diamond Club Board Positions: President, Treasurer, Fund Raising positions are open. We already have three great candidates that have expressed interest. If you are interested in running for a position please contact us via email at Chatfieldbaseball@gmail.com. *See ballot*

End of Season Banquet: June 7th at Arrowhead Country Club. Each player can invite 2 guests. Guests will need to pay \$30 each. Players and Coaches are covered by the Diamond Club. Food will be a Taco Bar.

Social Media: We are seeking photographers for each team. Send photos to Sue Terlap via text or email. Sue will post photos. We're hoping to get a lot of content this spring. (Short Videos are good too)

Game Changer: Each team will need a Parent to run Game Changer. Please let Coach Brett know if you would like to assist.

Fund Raising: The Snap Raise Campaign raised \$27,300. Great work everyone!

*We have a Chipotle Fundraiser scheduled for May 26th. Please eat at Chipotle on this day and tell them you are there because of the Chatfield Baseball Program. A portion of the money made will be donated to our program.

General Notes: A banner will be hung on the outfield fence for fallen firefighter Troy Jackson. The unveiling will be Saturday May 8th before our Varsity home game with Rock Canyon. The Jackson Family was very involved with our program 10 years ago.

The 1990 Team that won Jeffco League 3 season in a row, and were State Runner Ups, will be honored before a home game this season. We are still working on the date.

Alumni Game: Shooting for a Saturday in late August or September. Details to come.

Field Upgrades: We need help with labor for the field. Sod, Turf, Carpentry, Roof repair, dirt spreading, drywall, paint, Fix L Screens, Fix Turtle, etc. A lot of projects. Trying to get all work done in the next couple months. Please contact Coach if you would like to help.
