To Whom It May Concern:

Idaho is a wonderful state. We are fortunate to have 44 counties, all with unique attributes and a great Sheriff running each one. Idaho County is one of the largest counties in the nation, and the largest in Idaho. As we are such a vast area, we greatly appreciate our neighboring counties who are always willing to assist in emergency situations.

We are fortunate to have Adams County border Idaho County on the southwestern side of our county. Leading their county is Sheriff Ryan Zollman. Sheriff Zollman is a trusted leader, who assists his department wherever needed. Sheriff Zollman has dedicated himself to his community, volunteering in his church, coaching school sporting events, and volunteering his time at both the Adams County Fair and the Adams County Rodeo just to name a few. Sheriff Zollman is actively encouraging and shaping our youth and is leading by example.

As the Sheriff of Idaho County, I have been fortunate to witness Sheriff Zollman's leadership and professionalism, and we thank both him and his staff for all their assistance throughout the years. I wish him continued success in his election and look forward to working with him for another four years.

Sincerely,

Sheriff Doug Ulmer
