PHOENIX PD APP

The Phoenix Police Department now has a mobile APP, bringing a variety of resources and information to one place. Users can use the app to access online reporting, crime statistics, precinct locations, phone numbers, career opportunities, virtual block watch, victims' rights information, and more. Users can also turn on notifications from the precinct they live in to receive news updates and information on events in their area. The APP is now available both in the Apple Store for iOS and in the Google Play Store for Android.

Report graffiti on the Phoenix PD app! Graffiti can now be reported on the Police Department APP released in January 2021. Studies show that if graffiti is removed within 24 hours, there is a 90% likelihood that the graffiti will not use the app to have it removed! #GraffitiFreePHX

MOTORCYCLES VS. E-BIKES

Recently, we have seen an influx of individuals operating electric motorcycles/dirt bikes and have received numerous community complaints regarding their use. I want to take the opportunity to provide some information to educate everyone on the definitions and the laws related to operating both dirt bikes/motorcycles and E-bikes.

We have observed many juveniles utilizing electric motorcycles/dirt bikes as modes of transportation, on sidewalks, in parks, and on roadways. This could create a huge financial burden and affect the license of the operator if they violate state laws. The biggest distinguishing factors that separate an electric motorcycle/dirt bike from an electric bicycle are that an electric bicycle has fully operational pedals and the motor will cease to assist at 28 miles per hour. An electric motorcycle/dirt bike does not have fully operational pedal but has foot pegs instead and can reach speeds in excess of 45 miles per hour. Because of this, an electric motorcycle/dirt bike is considered a motorcycle by the Arizona Revised Statutes and are subject to all the traffic laws applied to other motor vehicles when operated on a roadway, including driver license endorsement, insurance, and registration requirements and all the same required equipment as a motorcycle. Electric motorcycles/dirt bikes are not allowed to be operated where other motor vehicles are unauthorized, such as on sidewalks and walking pathways.

Electric bicycles with fully operational pedals, may be operated in any location allowed to other non-motorized bicycles, except where prohibited based on the class of the E-bike. If operated on the roadway, E-bike riders are subject to the same traffic laws applicable to non-motorized bicycles. However, within the City of Phoenix, there is an age restriction for those operating a electric bicycle. Phoenix City Code 36-510 states, "No person may operate an electric bicycle who is under the age of 18."

Arizona Revised Statutes provide the following definitions: A.R.S. 28-101.47, "Motorcycle" means a motor vehicle that has a seat or saddle for the use of the rider and that is designed to travel on not more than three wheels in contact with the ground but excludes a tractor, an electric bicycle, an electric miniature scooter, an electric standup scooter and a moped.

A.R.S. 28-101.28, "Electric bicycle" means a bicycle or tricycle that is equipped with fully operable pedals and an

electric motor of less than seven hundred fifty watts and that meets the requirements of one of the following classes:

(a) "Class 1 electric bicycle" means a bicycle or tricycle that is equipped with an electric motor that provides assistance only when the rider is pedaling and that ceases to provide assistance when the bicycle or tricycle reaches the speed of twenty miles per hour.

(b) "Class 2 electric bicycle" means a bicycle or tricycle that is equipped with an electric motor that may be used exclusively to propel the bicycle or tricycle and that is not capable of providing assistance when the bicycle or tricycle reaches the speed of twenty miles per hour.

(c) "Class 3 electric bicycle" means a bicycle or tricycle that is equipped with an electric motor that provides assistance only when the rider is pedaling and that ceases to provide assistance when the bicycle or tricycle reaches the speed of twenty-eight miles per hour.

We want everyone to have fun and be safe but don't want anyone to get caught short by unlawfully operating an electric motorcycle/dirt bike or E-bike. Hopefully this provides some information and will help to keep individuals operating within the laws established by the state and city.

2024 Price Increases on PNP Clothing

I announced this was coming. We have the 2024 price sheet, and I updated the PNP Clothing Order Form. I attached a copy here and have already asked for it to be updated on the websites (PD, PNPMembers.com and the BWAB). These prices go into effect immediately. Any order forms sent in already with a postmark prior to today will get the previous prices.

Please update your neighborhood websites if needed.

IRS Mileage Rate Current Rate

If you have Mileage Reimbursement funds in your current BW Grant this is important info for you. The mileage reimbursement rate was increased as of January 1, 2024. It is now 67 cents a mile.

PNP merchandise order forms and cost updates:

As you are writing your grants, you might be budgeting for PNP equipment, like clothing, street signs and/or vehicle signs and are curious about expected prices for 2024. If any of you have bought groceries or filled up your gas tank you know there has been an increase in the cost of just about everything recently. Message from Councilwoman Ann O'Brien

Early Sunday morning, March 17th, was the Phoenix Police Foundation's 4th Annual Honor Run/Walk and the first in person kickoff event held in District 1. The turnout was incredible, and it was touching to see how many community members came out to support such a great cause. The Honor Run/Walk honors all Phoenix Police Officers killed in the line of duty. These officers have given the ultimate sacrifice for the safety of our community. As part of this year's Run/Walk, my office created two routes, a 1.5 mile walk that took people past Commander Greg Carnicle's marker and a 5k that included Commander Carnicle's marker and Officer Rusty Hawkins' memorial marker as well. My plan is to move the kickoff event to different locations around the City every year so we can ensure all our officers are honored and memorialized. Thank you to everyone who came out to support and everyone who had a part in making this event a success.

All my best, **Ann** Councilwoman, District 1

BLIGHT AND ZONING LAWS

STRUCTURES: The maintenance of a home is the responsibility of the property owner. Any wood, siding, shingles, roof covering, railings, fences, walls, ceilings, porches, doors, windows, screens, and other exterior parts of any structure on the property must be maintained in weather tight, sound condition and in good repair. The property owner is responsible for making sure there are no doors or windows left open and not secure to the outside. *FOR HELP call the Preservation Division of the Neighborhood Services Dept. at 602-495-0700 to see if you qualify for a free Grant!*

OUTDOOR STORAGE: All outside storage that can be seen from the street should be inside sheds or cabinets. Items should not be set in car ports in view of the street. Please use enclosed areas or backyards.

JUNK, TRASH & DEBRIS: Junk, trash and debris cannot be left in the yard or car port and must be properly disposed of. This includes junk auto parts, appliances, furniture, building and/or landscaping material, trash such as discarded papers, cardboard, plastics, etc. including tree trimmings and fallen limbs or any other items that appear to have been discarded. The only exception is during the Bulk Trash Collection weeks four times a year.

PARKING: Parking is only permitted for passenger cars and motorcycles on residential streets, on driveways or in garages. A driveway or parking area must be constructed with an approved dust free parking surface. The stone must be 1/4 - 3/4 in size with a permanent border holding it in. 1/4 minus size stone is not allowed for parking. There are limits to the amount of front yard area that can be used for parking. Only 35% of the front yard may be converted to driveway or dust free parking.

GRASS AND WEEDS: Grass and weeds must not be allowed to grow over 6 inches high due to fire hazard, allowing the weeds to go to seed and spreading throughout the neighborhood and insect infestation.

ELIMINATE GRAFFITI: Keeping the neighborhood graffiti free is something we can all do. If there is graffiti on your property, please remove it as soon as possible. The Graffiti Busters Program provides paint, supplies and training to assist groups with eliminating graffiti. The City will also remove the graffiti from private property with written permission from the property owner. Call 602-495-7014.

2025 GENERAL PLAN SURVEY

Dear Neighborhood Leaders and Members,
 This message has been shared by the Planning and Development Department. The City of Phoenix Planning and Development Department is seeking the community's input on the 2025 General Plan! The General Plan serves as a comprehensive roadmap for the future physical development of Phoenix, based on the vision of its citizens. To help with this, Planning and Development has created two surveys. Community participation in these surveys is paramount in helping the City identify "tools for action" with the established city-wide policy framework, which will enable the City of Phoenix to plan, prioritize and align its efforts for the next ten years. Have your voice heard and become an active participant in this important initiative by completing the planPHX surveys today: www.Phoenix.gov/PDD/GeneralPlan2025

BLOCK WATCH IMPROVES THE QUALITY OF LIFE WITHIN NEIGHBORHOODS

Block Watches come in all sizes. They can be a few houses in a cul-de-sac to a whole square mile neighborhood. They help to develop a "sense of community" and strengthen and sustain neighborhoods by bringing residents/neighbors together with a common interest.

Every Block Watch starts with one person and their concern for the safety and well-being of themselves and their families. Their motivation may be to meet or get to know their neighbors to protect the children, to keep property values up by eliminating blight and graffiti, to stop speeding on the streets by installing speed humps to protect the children, to have peace of mind by discouraging barking dogs and loud parties, and to be safe from crimes like burglary, theft, and assault.

We all want to live in a safe and secure environment. Our homes should be safe havens. By rights there should be several layers of protection from the national level to our own neighborhoods. National and state governments provide control of our borders; state and city governments provide police and fire protection, education, and other resources, community member groups provide Phoenix Neighborhood Patrollers and the posting of PNP signs on neighborhood streets; Block Watch provides neighbors watching out for neighbors; and we provide our own home security alarms, lighting, and burglary prevention measures.

CRIME TIPS:

THE SOCIAL SECURITY ADMINISTRATION IS CALLING — EXCEPT IT'S NOT

One of the most popular ways for criminals to steal money and sensitive information is by impersonating a trusted source — often a government agency. According to the Federal Trade Commission, victims of government imposter scams reported losing nearly \$509 million in 2022.

A frequently impersonated agency is the Social Security Administration (SSA). Here's what you need to know to spot and stop a Social Security imposter scam.

HOW IT WORKS

You get an unexpected call, text or email from someone claiming to be from SSA who needs to talk with you urgently.

You learn there is a problem with your Social Security number — for example, warning that it's been linked to criminal activity and suspended.

Or they will explain that you qualify for an increase in your benefit, but you must register and pay a fee to obtain it.

To address whatever issue they present, you need to share sensitive information such as your Social Security number or pay with gift cards, a wire transfer, cryptocurrency, or a payment app.

WHAT YOU SHOULD KNOW

Criminals rely on getting their target into a heightened emotional state, such as fear from threats of arrest or excitement over the promise of more money. They know that it's hard to access logical thinking when emotions are high.

SSA will not call you out of the blue and will not ask for your Social Security number — they already have it.

Sometimes the criminal will attempt to add an air of authenticity by claiming to be from the Social Security Office of the Inspector General — no matter what office they claim to be from, it's a lie.

WHAT YOU SHOULD DO

Don't engage with anyone calling you who claims to be from the Social Security Administration; if you are concerned there is a problem with your account, contact SSA at 800-772-1213 (but prepare to wait awhile before you talk to a person).

You can set up a "My SSA Account" and receive encrypted communications from SSA through it. With this access, you can go online to find if SSA is trying to reach you. You can also check the status of an application, get a replacement card, and more. Get started at ssa.gov/myaccount.

If you shared your Social Security number and feel it was part of a scam, file a police report for a record, and go to [IDtheft.gov](https://idtheft.gov) for specific guidance on protecting against its use in identity fraud.

TAX SEASON SIGNALS THE RISE OF IRS IMPOSTORS

Tax season isn't just about filing returns; it's also prime time for IRS imposter scams. According to the [Federal Trade Commission](https://www.ftc.gov), consumers reported losses of \$5.8 million to these scams in 2023 alone.

Take a moment to learn more about this persistent threat.

HOW IT WORKS

You receive an unexpected call, text or email that claims to be from the IRS.

They may say you owe unpaid taxes and threaten arrest if you don't pay immediately.

They'll demand payment via wire transfer, prepaid debit cards, cryptocurrency, or by purchasing gift cards and sharing the numbers off the back.

Or the IRS might have good news: you have a refund coming, which you can claim by clicking a link or calling a specified phone number and providing personal information.

WHAT YOU SHOULD KNOW

IRS imposter scams often begin with a robocall, instructing you to press a number on your keypad to talk with a live agent or call back using the number provided.

Scammers can manipulate caller IDs to appear as though the call is coming from the IRS.

The real IRS initiates communication by mail, including in cases of delinquent taxes. The agency may contact you by phone only after you have received and not responded to multiple written notices.

Federal agencies never request payment via wire transfer, cryptocurrency, or gift card. In 100% of these scenarios, it is a scam.

WHAT YOU SHOULD DO

If you get a call claiming to be from the IRS, hang up — or better yet, don't pick up the call to begin with.

If you want to confirm your tax payment status, call the IRS directly at 800-829-1040.

Forward any unsolicited emails or texts in which someone claims to be from the IRS or the Treasury Department to phishing@irs.gov. Do not click on any links or open attachments.

Know that beyond IRS impostors, tax ID fraud is still a problem. Consider obtaining an [IRS identity protection PIN](https://www.irs.gov/identity-protection-pin). The IP PIN is known only to you and the IRS, and your return cannot be processed without it.

Knowledge gives you power over scams. The [AARP Fraud Watch Network](https://www.aarp.org/fraud-watch) equips you with reliable, up-to-date insights and connects you to our free fraud helpline so you can better protect yourself and your loved ones. We also advocate at the state, federal and local levels to enact policy changes that protect consumers and enforce laws.

COMMUNITY CATS

Helpful Information and Tips for the Community

A Community Cat is a catch-all term often used to describe any outdoor cat that may appear to not have an owner. Feral cats, which are under- or not socialized, fall under this umbrella, as do free-roaming, friendly cats.

In Maricopa County, cats are not subject to the same licensing and leash laws as dogs. Because of this, Maricopa County Animal Care and Control (MCACC) cannot pick up stray or feral cats or take action against those feeding cats in their neighborhoods.

Many times, members of the community act as colony managers to ensure that a feral cat colony is a managed colony. Cats in these communities are usually fed, watered, vaccinated, spayed, or neutered, and monitored for overall health. Other times, the cats are self-reliant and can survive in the neighborhood on their own, without any direct assistance.

TNR

TNR (Trap-Neuter-Return) is a long-proven and effective method for humanely addressing community cat populations across the world.

Trap: The cats are humanely trapped and brought to a clinic.

Neuter: The cats are fixed, vaccinated, and their left ear is "tipped" to indicate they have been fixed.

Return: The fixed cats are safely returned to their colony.

Benefits of TNR

- Cats become better neighbors as it reduces or eliminates unwanted mating behaviors (e.g., yowling, fighting, spraying).
- Cats will be healthier when treated with this humane solution and typically are less likely to wander from their food source.
- Halts the breeding cycle which allows community cat populations to stabilize and eventually decline.
- Protects and respects cats' lives.

How to Help Keep Community Cats Away from Your Property

- Remove or secure all potential food and water sources from your property, including dog food.
- Spray concentrated orange juice or hang orange or lemon peels in areas where cats are spraying — cats do not like the citrus scent.
- Keep all trash and recycle bins tightly closed as cats are considered opportunistic feeders/hunters.
- Use a motion-detecting device that turns on a sprinkler or bright light in response to motion on your property, such as ScareCrow™.
- Remove or secure potential shelter areas — secure access under houses, sheds, decks, porches, and buildings with wire fencing.
- Use plastic carpet runners spike-side up and covered lightly in soil to prevent cats from digging in your garden.
- Keep landscaping trimmed to avoid creating hiding/nesting spots.
- Spread dried wild animal manure in the areas you notice feral cats in your yard; wild animal urine also may work to deter the cats.
- There are also many commercial cat repellants (chemical and non-chemical options) available in garden stores, pet shops, and online.

For more information about TNR, please call the Spay Neuter Hotline at 602-265-7729 or complete the online form: <https://adlaz.org/spay-neuter-hotline/outdoor-cats/newrequest-for-tnr-services/>.

What to Know About Measles

With [new measles cases being reported in Maricopa County](#), our Public Health Department wants you to know almost every person exposed to the disease will get sick if they have not been vaccinated with the Measles, Mumps, Rubella (MMR) vaccine or had measles in the past. A person with measles can give the disease to other people even before they feel sick. Measles can cause serious illness,

especially in young children, pregnant women and people with depressed immune systems.

Learn the symptoms of measles and how best to protect yourself and others by visiting Maricopa.gov/Measles.

Reminder: Time to get your AZ Travel ID

Enhanced identification required at TSA airport checkpoints in 2025

Many things slow down a bit during the holidays, including business at Arizona Department of Transportation Motor Vehicle Division offices. That makes this an ideal time to make an appointment to get your Arizona Travel ID.

The federal deadline is May 7, 2025, for those who wish to use their state-issued credential for air travel. Without the Arizona Travel ID or other form of federally compliant identification such as a valid U.S. passport, fliers risk missing domestic airline flights because Arizona's standard driver license, which will remain valid for state purposes, will not be accepted at TSA checkpoints.

The Arizona Travel ID requires added proof of identification to ensure that your license or identification meets strict requirements of the federal REAL ID Act of 2005. A gold star on the card shows that you've provided this additional information.

You can walk into an office to upgrade to an Arizona Travel ID, but we suggest [scheduling an appointment](#) through Live Chat or online at [azmvdnow.gov](#). Even if you haven't activated your AZ MVD NOW account, you can still schedule an appointment.

Because the Arizona Travel ID is compliant with the federal standards, you will need to provide extra documentation. This includes:

- Proof of identity: a birth certificate or U.S. passport
- Social Security Number: just the number, not the card
- Two documents proving Arizona residency: rental or bank statements, credit card or cell phone bills in your name with your current Arizona address, etc.

More information and a full list of qualifying documents are available at [azdot.gov/TravelID](#)

If you are traveling this season, be safe and make sure to schedule an appointment for your Travel ID in 2024 to be ready for the 2025 deadline.

988 988 988

People experiencing a mental health crisis have a new way to reach out for help in the U.S. They can simply call or text the numbers 9-8-8.

Modeled after 911, the new three-digit [988 Suicide & Crisis Lifeline](#) is designed to be a memorable and quick number that connects people who are suicidal or in any other mental health crisis to a trained mental health professional.

"If you are willing to turn to someone in your moment of crisis, 988 will be there," said Xavier Becerra, the secretary of the federal Department of Health and Human Services, at a recent press briefing. "988 won't be a busy signal, and 988 won't put you on hold. You will get help."

The primary goal of the new number is to make it easier for people to call for help. Lawmakers and mental health advocates also see this launch as an opportunity to transform the mental health care system and make care easily accessible everywhere in the United States. The Biden administration has invested more than \$400 million in beefing up crisis centers and other mental health services to support the 988 system.

KEEP WEEDS UNDER CONTROL

We are moving rapidly into "weed" season. Weeds are not only an eyesore, but they also pose a health and safety concern by harboring pests such as mice and insects. Here are some tips to control and prevent weeds from proliferating:

1. Don't leave roots behind – grab the weeds close to the ground and pull them straight up to ensure the roots are intact.
2. Weed after watering or rain – a moist ground makes it easier to pull the weeds.
3. Use mulch – especially with a weed preventer mixed in, to keep weeds from germinating, but still support the growth of your garden plants.
4. Try spraying vinegar – uniformly coating the leaves. Regular household white vinegar can kill young weeds effectively.
5. Take advantage of [NSD's Tool Lending Program](#) – to do a neighborhood cleanup that will require the elimination of weeds. This program is available to neighborhood groups and associations listed with NSD's [Neighborhood LINK](#). For more information: ToolLend.NSD@phoenix.gov

As we all know, graffiti is a form of blight that may decrease property values in neighborhoods and attract other forms of criminal activity if it is not promptly removed. We encourage residents to be aware of their surroundings and report any graffiti they notice or observe in progress.

To report graffiti, residents can use any of these three methods:

- Go online to phoenix.gov/myphx311 or the app [myPHX311](#).
- Email blight@phoenix.gov.

If you see graffiti in progress, please dial 911.

For Graffiti-Free Phoenix Awareness Month, not only do we encourage neighborhoods to take an active role in reporting graffiti, but we challenge them to learn how to remove graffiti and be a partner in combating it. If you and your neighbors are interested in learning how to remove graffiti in your neighborhood, please contact Betsy.Cable@phoenix.gov. We can coordinate a free class for your neighborhood group.

Did you know that Neighborhood Services' Graffiti Busters work seven days a week removing graffiti all over the city?

WHAT IS SUCCESS?

To laugh often and much; to win the respect of intelligent people and the affection of children; to earn the appreciation of honest critics and endure the betrayal of false friends; to appreciate the beauty; to find the best in others; to leave the world a bit better, whether by a healthy child, a garden patch or a redeemed social condition; to know even one life has breathed easier because you have lived. This is to have succeeded!

DON'T GIVE TO INDIVIDUALS GIVE TO SHELTERS

To end panhandling, we have to end directly giving to people panhandling. Phoenix is full of compassionate and charitable citizens. They want to help those in need. However, giving money to people panhandling doesn't fix problems. In order to truly help those in need, stop giving money to panhandlers and instead

support organizations and services that provide long-lasting care. – Central Arizona Shelter Services – Andre House – Salvation Army – St. Joseph The Worker – UMOM New Day Centers – The Phoenix Rescue Mission – St. Mary's Food Bank For more organizations and information that can provide housing, or other services, please visit the Homeless Shelter Directory at:

- <https://www.homelessshelterdirectory.org/cgi-bin/id/city.cgi?city=Phoenix&state=AZ>
- www.givesmartaz.org

(now Phoenix.gov/myPHX311). Now you are in full control of getting help with a wide range of services including:
 -Requesting water / trash services
 -Viewing / paying city services bill
 -Reporting issues in the community (streetlights, potholes, water main breaks, etc.)
 -Accessing city calendars and public meetings.
