HOLIDAY SEASON CRIME PREVENTION

Another year has gone by and the holidays are approaching fast. The holiday season is a time for reflection, celebration, and renewal and as we do these things let us all remember the less fortunate or those having difficulties, temporary or permanent. There are many ways we can assist, from the donation of time, money, or gifts to even the small things like being courteous or polite during this hectic season. Here are some tips to have a safe holiday season.

This past year has been another active one for law enforcement and Phoenix PD in many ways. There are always too many tragic events across this country or in this community to mention but the officers of the Phoenix Police Department will continue to serve the citizens of Phoenix in a respectful and professional manner. We appreciate and are very thankful for the continued gestures and words of support that we get from everyone, it means a lot to the officers to know that they are supported in their jobs.

This time of year also brings many events to attend, family to visit, traveling, shopping and much more. Many of you will not think of crime prevention during these festive times but a few simple reminders will help reduce the opportunities for you and your family to be a victim.

1. When walking to and from stores keep your head up and be aware of your surroundings. Walk with a purpose, do not divert your attention by texting or talking on the phone, digging for car keys, or be burdened with too many bags.
2. Park in a well-lit area, do not park in dark or faraway places. I know it is difficult to find good parking but do the best you can. If you go in during daylight hours and think you might be inside until it is dark, park as if it were dark.
3. Roll the windows on your car all the way up and LOCK your car. Do not leave valuables, packages, or even gym bags, in plain view inside the car; put them all in the trunk. Gym bags or other bags in view may not have but a few items of clothes in them but the thieves do not know that and will try anyways.
4. When parking your cars at home, get them in the garage if you can. If you must park in the driveway or street, remove all valuables, garage door openers, and lock the car. Many thieves will break into a car just to take the garage opener and then use it to take items from the garage or enter the house at a later time.
5. Do not keep large amounts of cash with you or display cash when shopping. Take with you only what you need for the day. Be on guard while at ATM's.
6. Keep a constant eye on your children and ALWAYS know where they are. Children are easily distracted by the decorations and excitement of the holidays and may wander off in only a couple seconds.
7. Do not drink and drive, please use a designated driver, call a taxi or uber. This time of the year many people have holiday functions from work or family and drink when they usually don't and make a bad decision to drive which could end up having tragic consequences. Please enjoy the season but drive responsibly and patiently.

8. Make sure the doors and windows to your home are locked, the front lights are on all night and keep a watchful eye for suspicious activity. If you are expecting deliveries and you will not be home, ask a trusted neighbor to pick them up when they arrive. Please call Crime Stop at 602-262-6151 if you see suspicious activity.

9. Please drive carefully, schools will be out on winter break and many kids will be out in the neighborhoods trying out new bikes, toys, and you need to be aware of their presence.

10. If you are going to be out of town for a winter vacation, tell a trusted neighbor to watch over your house, do not post on social media that you will be gone and call the Black Mountain Precinct at 602-495-5002 and ask for a Vacation Watch. Officers can check on your house while you are gone if the radio calls allow them to.

11. Lastly, be patient. The crowds are larger, people are rushed and stressed. Some people do not like the holidays and can act out so please exercise patience and we all can enjoy the holidays in our own way.

DVCC:

Noreena said there is a new Food Truck Friday event coming up on Friday, September 29th from 5 – 8 pm with food, fun & games in Deer Valley Park. The upcoming G.A.I.N./Fall-o-ween Event is on Saturday, October 21st from 5 – 8 pm

Black Mountain Precinct Updates

Lt. Ben Sywarungsymun said that our new Commander Matt Siekmann was unable to make our meeting due the Awards Ceremony tonight where several of his officers were receiving awards. He reported on current crime statistics and that hundreds of thousands of fentanyl pills, other drugs and guns have been confiscated. There are two events at

Metrocenter for Kia and Hyundai owners to fix the easy access problem on Sunday, Sept. 16th & 23rd from 9 am to 3 pm.

PRESENTATION: PARKS & REC Night Security, Rangers & Homeless with Asst. Director Marty Whitfield

Great presentation! Parks has hired new Night Security staff to patrol the parks overnight seven days a week. The challenges they face are unattended vehicles, vandalism, small fires, off-leash dogs, broken electric services, camping, alcohol consumption and lots of trash. Alcohol

and smoking are not allowed in Phoenix parks. So far the police have been called 23 times to assist the rangers. Park visitors usually are receptive to having staff present. The goal is to have everyone feel safe and enjoy being outside in beautiful places. The staff can issue criminal citations but prefer to educate people first. Trespass regulations are enforced and can facilitate orders to stay out of a park for 30 days. The Phoenix Parks Code of Conduct is on the phoenix.gov website.

Black Mountain Precinct Updates

Cmdr. Matt Siekmann said that he is happy to finally be here. He is concerned about the DOJ's progress in completing a final report on the consent decree they have in place. He is looking forward to the upcoming G.A.I.N. Events taking place in our precinct. He was happy to report that five new officers have been hired! He appreciates the civilian police investigators who have come on staff, too. Our Coffee with Cops is on Thursday, October 26th 8:30 am at Biscuits Café.

Lt. Ben Sywarungsymun gave us the crime stats for Black Mountain Precinct. More drugs, guns and stolen vehicles have been seized and at least 9 people have been arrested. Two Traffic Operations have resulted in 90 citations. Too many people have been clocked at 70 and 80 mph on our city streets. It was mentioned that www.spotcrime.com is a great website to get crime stats in our neighborhoods.

BREAK OUT SESSION

Area 22 met with CAO Tim Tewers

PRESENTATION: ARIZONA AUTO THEFT AUTHORITY with Amanda O'Halloran

Amanda O'Halloran, representing the Arizona Automobile Theft Authority (AATA) division of the Department of Insurance and Financial Institutions (DIFI), gave a presentation on how we can protect our vehicles from being stolen. Kias and Hyundais remain high on the list of makes of cars stolen. Phoenix is the city where the most vehicles are taken...almost 6,000 since January 1st. 85022 is the favorite zip code. To protect your vehicle, go to www.AzWatchYourCar.com

The Watch Your Car (WYC) program gives the police the right to pull your car over in the wee morning hours and see if YOU are driving the vehicle. When you license a vehicle, you may have opted to place your car in the program. There is a sticker that goes on the rear window. To see if your vehicle is registered, log in to www.AZMVDNOW.gov Provide current phone numbers and you will be called if your vehicle is found if it is stolen. Of course, call 911 too! There has been a 62% recovery rate from January 1st until now. Phoenix and nearby cities are high on the national list for stolen cars. Insurance companies may send automobile owners a "Club" to lock the steering wheel to protect it. And some car companies have software updates to keep robbers at bay. We are encouraged also to ask car dealers and insurance companies to hold events to engrave catalytic converters, so they won't be stolen. Who knew that the state insurance department was busy doing all this work. We pay for it in our license fees so we might as well use it to protect our modes of transportation. When cars are stolen it is a big loss to owners in safety, time, effort, and money. And it costs all of us in rising insurance payments.

Message from Councilwoman Ann O'Brien

602-262-7444 council.district.1@phoenix.gov

The city is looking into the potential of reinstalling red-light cameras in Phoenix. We are hoping to get input from the public.

Our council office is actively working to establish an ordinance that will ban encampments within 600 feet of schools. This aims to ensure the safety and well-being of our students and schools. We are also pushing to amend state construction defect laws to better support first-time homeowners. Our goal is to make the process of homeownership more accessible to all community members.

Regarding Cortez Park and I-17, we are partnering with the Arizona Department of Transportation (ADOT) and the Phoenix Police Department to clean, sanitize, and clear encampments located under the I-17 and Cortez Park underpass. This is to address the concerns of public safety and hygiene. Measures are also being taken to address unwanted activities and public nuisances at the ramada in Cortez Park. This initiative will enhance our community's safety and help diminish criminal activity in this area. Last, we are retrofitting lights and cameras in Cortez Park to improve security in the area. Additionally, there will be full night shift rangers and private security personnel to further enhance safety at the park.

To clarify any confusion, the Metrocenter demolition project is well underway and was started in August. They are currently focusing on the interior portions of the structure before moving to the exterior. We will keep you updated on the progress and any potential impacts on our community.

The Department of Justice (DOJ) investigation continues, and while there isn't a hard deadline, we are making progress. Interviews are scheduled for the beginning of November, and we are hopeful that this will be the final step before getting the results. To be clear, I will not sign anything without seeing the results of the investigation first.

My office attended the DVPNBWO/BMCA/MVGBW/DVCC Fall Festival GAIN event. There was quite a turnout with around 2,000 attendees. Many attendees and children were dressed up in their favorite Halloween costumes. I apologize I was not able to attend as I was in San Francisco for a WestEd Board meeting and to celebrate my birthday with family. Greg and Tiffany represented the District 1 office and handed out pumpkin bags filled with candy!

All my best, **Ann** Councilwoman, District 1

DON'T GIVE TO INDIVIDUALS GIVE TO SHELTERS

To end panhandling, we have to end directly giving to people panhandling. Phoenix is full of compassionate and charitable citizens. They want to help those in need. However, giving money to people panhandling doesn't fix problems. In order to truly help those in need, stop giving money to panhandlers and instead

support organizations and services that provide long-lasting care. – Central Arizona Shelter Services – Andre House – Salvation Army – St. Joseph The Worker – U MOM New Day Centers – The Phoenix Rescue Mission – St. Mary's Food Bank For more organizations and information that can provide housing, or other services, please visit the Homeless Shelter Directory at:

CRIME TIPS

STAY CYBERSECURE THROUGHOUT THE YEAR

With so much of our lives happening online—whether for work, social connections, shopping, or entertainment—cybercriminals have myriad ways to steal money and sensitive information. When you factor in the many devices we wear (smartwatches, anyone?) or that are in our homes linked to the internet, the opportunities grow.

October is Cybersecurity Awareness Month. AARP is joining the federal Cybersecurity & Infrastructure Security Agency (CISA), National Cybersecurity Alliance, and other organizations to spread awareness on how we can all be more cybersecure throughout the year.

HOW IT WORKS

Unsolicited emails, text messages, posts on social media platforms, online ads, pop-up messages—these are all the domain of cybercriminals and their attempts to "socially engineer" us.

Whether it's a "problem" with a financial or retail account, a way to tap into "free" money, or another emotion-arousing message, the goal is to get us to take quick action—click on the link, or call the number provided.

That quick action can lead us to logging into copycat sites to expose our credentials or payment details or downloading malicious software.

With the "internet of things," our connected devices are at risk for cyberhacks given universal default password settings, unsecure communications between devices, and security updates from manufacturers that aren't timely or just don't occur.

WHAT YOU SHOULD KNOW

The hallmark of most online social-engineering scams involves 1) an unexpected communication that 2) yields a highly emotional response and 3) involves urgency. When these three elements are seen together, don't engage—or if you do and realize it, quickly cut off contact.

Recognize that connected devices typically do not come with secure defaults, which leaves them open to a third-party intercepting or exposing your sensitive data.

WHAT YOU SHOULD DO

Create strong and unique passwords for all online accounts and devices. Where possible, use biometrics such as fingerprints or facial recognition.

Where available, turn on multi-factor authentication, which is a second way beyond your username and password to verify it's you accessing your account or device.

Where available, set up your devices and software to update automatically; quite often the updates are to shut down known security vulnerabilities.

Avoid clicking on links from emails and texts and on online ads. Type web addresses into your browser to ensure you aren't sent to a copycat site, and only visit sites you know and trust.

For any troubling communication from your financial institution, a retailer you do business with, or a family member or friend, don't interact. Instead, cut off communication and reach the entity or the person using the way you typically interact with them.

ADOT prepares snowplows in advance of season's winter weather

Dump trucks during the summer; now outfitted as plows for snow, ice

The Arizona Department of Transportation's statewide fleet of snowplows is ready to roll wherever and whenever needed now that crews have completed the annual process of equipping the vehicles with what's needed to clear snow and ice from state highways.

Many of ADOT's 200 snowplow vehicles are used for other important work, primarily as dump trucks, during our warmer weather. By late summer, crews begin to install the large plow blades and other equipment so those trucks are once again prepared as large, powerful snowplows.

Systems that measure and spread deicing agents on highways also are installed each year in the beds and on the backs of snowplows.

ADOT also held winter planning meetings in Flagstaff in early October that included hands-on training and classroom sessions for employees who will be available as snowplow operators in the coming months. Each year, ADOT has approximately 400 employees who are trained and approved to work as snowplow operators.

ADOT reminds drivers to also prepare for traveling in winter conditions, if necessary. Helpful safety information is available at azdot.gov/KnowSnow. ADOT also provides highway conditions all year via ADOT's [511 Travel Information site](http://511), the AZ511 app or by calling 511. Highway information and answers are also available via ADOT's X (formerly Twitter) feed ([@ArizonaDOT](https://twitter.com/ArizonaDOT)) and the agency's Facebook page (facebook.com/AZDOT).

During a busy 2022-23 winter season, ADOT snowplows logged more than 1.25 million miles clearing snow and ice from the state's highways. The figure was 605,000 miles during the 2021-22 winter season. The agency's snowplow operators logged more than 66,000 hours working to remove snow and ice as safely and quickly as possible from state highways last winter.

ARIZONA FREEWAY CAMERA & ROAD CONDITIONS

The Arizona Department of Transportation offers the 511 Traveler Information Service. It's simple; by just dialing 511, you can get information on closures, delays, public transit services, major airports, tourism, weather and more. You no longer need to remember those long phone numbers. All this information is available by dialing 3 digits, 511.

988 988 988

People experiencing a mental health crisis have a new way to reach out for help in the U.S. They can simply call or text the numbers 9-8-8.

Modeled after 911, the new three-digit [988 Suicide & Crisis Lifeline](#) is designed to be a memorable and quick number that connects people who are suicidal or in any other mental health crisis to a trained mental health professional.

"If you are willing to turn to someone in your moment of crisis, 988 will be there," said Xavier Becerra, the secretary of the federal Department of Health and Human Services, at a recent press briefing. "988 won't be a busy signal, and 988 won't put you on hold. You will get help."

The primary goal of the new number is to make it easier for people to call for help. Lawmakers and mental health advocates also see this launch as an opportunity to transform the mental health care system and make care easily accessible everywhere in the United States. The Biden administration has invested more than \$400 million in beefing up crisis centers and other mental health services to support the 988 system.

HHW Home Collection is Here!

Public Works is offering a program that assists solid waste residential customers with the proper disposal of their household hazardous waste items (HHW).

HHW should NOT be placed in the trash or recycling containers for safety reasons. Hazardous materials need to be properly disposed of to protect human health and the environment, as well as protect residents and employees from harm and hazards caused by these toxic materials.

How to Participate...

1 CHECK THE ACCEPTED MATERIALS LIST ONLINE

[Acceptable materials list](#) [Residuos Domésticos Peligrosos](#)

2 SCHEDULE A HOME COLLECTION BY CALLING OR ONLINE

[Schedule a Home Collection](#)

Only customers with a residential solid waste account are eligible. Please refer to the upper right corner of your City Services Bill to obtain your account number as you will need this to proceed. If you are unsure of your eligibility to participate in this program, please contact the HHW team at hhwcollection@phoenix.gov.

Only 1 HHW home collection is allowed per Solid Waste customer per calendar year.

3 SET OUT HHW BOX ON DAY OF COLLECTION

You will receive an email reminder 1-2 business days before your scheduled pick-up, and you're all set!

Because HHW materials could cause harm, please take a moment to read our HHW Guidelines to ensure a safe pick-up.

HHW Guidelines

- Have your **current city services bill, account number and associated address** available when scheduling.
- **Containing your HHW:** All items must be secured in sealed leakproof containers, and then placed in a box clearly labeled "HHW". If you have a damaged bucket or container with hazardous liquids that is leaking or may leak, please safely place it in a labeled and sealed, leakproof container to avoid spills.
- **Placement:** Please ensure the box of items is placed outside next to your garage or front door, clearly visible and accessible to staff. DO NOT place any HHW at the curb, in the street or on the sidewalk.
- All HHW items will be collected between the hours of 7am and 5pm. You will not be given a specific collection time, so please ensure your items are placed out for collection by 7am on your collection day.
- Only 1 HHW home collection is allowed per Solid Waste customer per calendar year.

BLOCK WATCH IMPROVES THE QUALITY OF LIFE WITHIN OUR DEER VALLEY PARK NEIGHBORHOOD!

Block Watches come in all sizes. They can be a few houses in a cul-de-sac to a whole square mile neighborhood organization. They help to develop a "sense of community" and strengthen and sustain neighborhoods by bringing residents/neighbors together with a common interest.

Every Block Watch starts with one person and their concern for the safety and well-being of themselves and their families. Their motivation may be to meet or get to know their neighbors to protect the children, to keep property values up by eliminating blight and graffiti, to stop speeding on the streets by installing speed humps to protect the children, to have peace of mind by discouraging barking dogs and loud parties, and to be safe from crimes like burglary, theft and assault.

We all want to live in a safe and secure environment. Our homes should be a safe haven. By rights there should be several "Layers of Protection" around our homes starting with National and State Governments controlling our Borders, then State and City Police Departments with local precincts and City Governments that provide education and resources, then Community Member Groups providing Phoenix Neighborhood Patrollers and PNP signs posted on neighborhood streets and then a Block Watch on our own street with neighbors watching out for neighbors and then our own home security alarms and lighting from burglary prevention education.

If you are interested in starting up a Block Watch on your street please contact our Black Mountain Police Precinct Community Action Officers are Tim Tewers #8698 at 602-495-5213 or 480-506-6454 tim.tewers@phoenix.gov and Jon McQuillan #8926 at 602-495-5238 or 602-904-9985 jon.mcquillan@phoenix.gov

Come to the Black Mountain Community Alliance Meeting on the second Wednesday of each month (except July, August & November) at 6:30 pm at the Deer Valley Community Center where we hold our Deer Valley Park Neighborhood Block Watch Organization Meetings and meet with our Community Action Officer!

Meetings have been on ZOOM. Check the website for updates at www.dvnbwo.com

HELP STOP CRIME IN YOUR NEIGHBORHOOD BY STARTING A BLOCK WATCH GROUP ON YOUR STREET TODAY!

Distribute this announcement to invite people to the Block Watch Meeting:

You're Invited to an Important Meeting!

If you are as interested as I am about maintaining and improving the quality of life on our street and in our neighborhood, please attend an important meeting to be held:

DAY _____ DATE _____ TIME _____

LOCATION _____

A representative of the Phoenix Police Department will be there to discuss a way we can impact and improve our community. It is called BLOCK WATCH, and we will be informed how to combine our efforts to make our homes and our neighborhood a safer place to live.

Please Plan to Attend and RSVP to:

NAME _____

PHONE _____

Our Deer Valley Park Neighborhood Block Watch Organization will be installing more of these new metal Block Watch Signs on light poles in our neighborhood. If you would like one on your street within our neighborhood, please e-mail dvnbwo@aol.com on the location.

We can also deliver a paper Block Watch Sign for your window to deter crime. Please e-mail us at dvnbwo@aol.com if you would like one!

BLIGHT AND ZONING LAWS

STRUCTURES: The maintenance of a home is the responsibility of the property owner. Any wood, siding, shingles, roof covering, railings, fences, walls, ceilings, porches, doors, windows, screens, and other exterior parts of any structure on the property must be maintained in weather tight, sound condition and in good repair. The property owner is responsible for making sure there are no doors or windows left open and not secure to the outside. **FOR HELP** call the *Preservation Division of the Neighborhood Services Dept.* at 602-495-0700 to see if you qualify for a free Grant!

OUTDOOR STORAGE: All outside storage that can be seen from the street should be inside sheds or cabinets. Items should not be set in car ports in view of the street. Please use enclosed areas or backyards.

JUNK, TRASH & DEBRIS: Junk, trash and debris cannot be left in the yard or car port and must be properly disposed of. This includes junk auto parts, appliances, furniture, building and/or landscaping material, trash such as discarded papers, cardboard, plastics, etc. including tree trimmings and fallen limbs or any other items that appear to have been discarded. The only exception is during the Bulk Trash Collection weeks four times a year.

PARKING: Parking is only permitted for passenger cars and motorcycles on residential streets, on driveways or in garages. A driveway or parking area must be constructed with an approved dust free parking surface. The stone must be 1/4 - 3/4 in size with a permanent border holding it in. 1/4 minus size stone is not allowed for parking. There are limits to the amount of front yard area that can be used for parking. Only 35% of the front yard may be converted to driveway or dust free parking.

GRASS AND WEEDS: Grass and weeds must not be allowed to grow over 6 inches high due to fire hazard, allowing the weeds to go to seed and spreading throughout the neighborhood and causing insect infestation.

ELIMINATE GRAFFITI: Keeping the neighborhood graffiti free is something we can all do. If there is graffiti on your property, please remove it as soon as possible. The Graffiti Busters Program provides paint, supplies and training to assist groups with eliminating graffiti. The City will also remove the graffiti from private property with written permission from the property owner. Call 602-495-7014.

WHEN YOU CALL 911 KNOW THE 10 W'S

- What** - is your location? GIVE EXACT LOCATION
What - happened? WHAT TYPE OF CRIME?
When - did this happen?
These questions will determine if it is a priority call. Give as much of this necessary information as you can.
Was - anyone hurt?
Weapons - are there weapons involved?
What - manner did they leave or arrive - foot, vehicle, bicycle...?
Who - did it? -Suspect description
Where - did the suspect go? - What direction
What - did the suspect obtain? - type and amount
Who - is calling? - Give your name location and phone number (You can remain anonymous. If you do give your name, the info is redacted from the public record access.)

SIGN UP FOR REVERSE 911 *IN CASE OF EMERGENCY*

Getting an emergency message out to those living near a catastrophe can be difficult. In Arizona, there is a reverse 911 system.

The Community Emergency Notification System helps those managing a disaster send a message to potential victims, alerting them to stay away and stay safe.

The Community Emergency Notification System is a robo-voice message alert going straight to your phone.

The system automatically dials the landlines in the area of the active scene, but with landline phones nearly extinct, you must register your cell phone if you want to get the message.

[Click here to register your phone](#)

<https://maricoparegion911.onthealert.com/Terms/Index/?ReturnUrl=%2f>

The system will be able to send text messages out and not only to those who are registered but also to anyone who is near a cell tower where the situation is ongoing.

VISIBLE HOUSE NUMBERS

Please take a moment to step out in front of your home and look for your address. Seriously, if you were an emergency responder is your address visible? Have bushes grown and now obscure or is there an RV parked in such a way that the house numbers are not easily seen? DO NOT rely on the painted curb because a parked vehicle can cover it up. If you have an alley, please take the time to be sure your address is visible on your fence also. Also, make sure the address numbers are visible after dark! Solar LED Spotlights work great!

DVPNBWO GRAFFITI WATCH

Our neighborhood needs help! If you would like to join our Graffiti Team to paint over the graffiti as soon as it shows up around the neighborhood, please e-mail dvpnbwo@aol.com. When you see it in and around our neighborhood, please call Laura Robins at 623-533-0847. THANKS!

IMPORTANT INFO ABOUT NEXTDOOR!

The Police can only post information and events, they cannot see any posts by you or your neighbors unless the posts are directly responding to the Police post. When you or your neighbors talk about suspicious activity, burglaries, etc. on the neighborhood list, the police cannot see it. So, you need to call the information in to CRIME STOP 602-262-6151 or to be anonymous, call SILENT WITNESS 480-WITNESS.

Website: www.IdentityTheft.gov

Recovering from identity theft is easier with a plan. If someone has stolen your identity, or you've gotten a notice about a data breach, visit the FTC's new site at IdentityTheft.gov for help. IdentityTheft.gov is the federal government's one-stop resource to help you report and recover from identity theft. It's also available in Spanish at RobodelIdentidad.gov.

If you visit the website for the Federal Trade Commission www.ftc.gov and go to Publications (type publications in the search bar) you should be able to locate approximately 187 different FREE publications on all types of different topics. This may be a good resource for community information without the burden of paying for printing.

You can also get on the DO NOT CALL REGISTRY!

The Do Not Call Registry accepts registrations from both cell phones and land lines. To register by telephone, call 1-888-382-1222 (TTY: 1-866-290-4236). You must call from the phone number that you want to register. To register online (donotcall.gov), you will have to respond to a confirmation email.

E-mail dvpnbwo@aol.com and request to be put on the e-mail list to receive CRIME ALERTS, reminders for the Deer Valley Park Neighborhood Community Meetings, early copies of this neighborhood newsletter IN COLOR and timely information about Lost Pets, Neighborhood Events and Concerns.

A REMINDER: PLEASE REMEMBER ON COLLECTION DAYS TO PUT YOUR GARBAGE AND RECYCLE CANS IN THE STREET WITH THE WHEELS AGAINST THE CURB AND NOT ON THE SIDEWALK WHERE OUR KIDS RIDE THEIR BIKES, ETC.

BULK TRASH PICKUP

The new date for our neighborhood (Area 12) to start putting out bulk trash will be on Saturday, DECEMBER 9th. Pick up begins on Monday, DECEMBER 18th.

Remember, there is a **ONE WEEK RULE**, so don't put the trash out too early. Bulk trash consists mainly of materials that cannot be placed in your green/black garbage container or recycled in your blue Phoenix Recycles container.

Unacceptable Materials

Our Bulk Trash crews will not pick up the following:

- More than 20 cubic yards per residence, or a pile the size of a SUV
- Loose debris and litter
- Loose grass, leaves, weeds, twigs, and hedge clippings
- Household hazardous waste (HHW), such as antifreeze, pool chemicals, oil, batteries, and paint
- Community piles
- Materials placed in the Bagster bags
- Materials such as bricks, concrete, dirt, rocks, asphalt, and roofing shingles/tiles
- Construction materials in excess of 25 pounds or over four feet long
- Metal or car parts in excess of 20 pounds or over four feet long
- Tires, any shape or size
- Glass such as windows, shower doors, patio doors, mirrors, fluorescent tubes, etc.
- Tree trunks or stumps larger than 12" in diameter
- Appliances that use refrigerants such as freezers, refrigerators, and air conditioners

(Remember that the trash needs to be 5 feet away from any object, behind the curb, and no larger than a pile 10 feet long, 9 feet wide and 6 feet high. If the pile runs up into your driveway expect to clean the area above the sidewalk yourself.)
