

### Finding Sensory Footsteps Clinic at Cavendish Court Wellness Centre

**Address:** Cavendish Court Wellness Centre, DN1 2DJ, Central Doncaster

**Location within the Building:** Our clinic is situated at the back of the site, to the left. The wellness centre has its own dedicated entrance.

**Building Overview:** Cavendish Court Wellness Centre houses several health and medical businesses, and it's located in the heart of Central Doncaster.

**Parking Directions:**

- Upon entering the Cavendish Court main car park, please note that it operates as a one-way system.

- Follow the car park to the right and continue around the back of the building. You will almost reach the opposite side of the main car park.
- The entrance to the wellness centre will be on your left.

- The designated parking bay for Sensory Footsteps clients is located in the middle of the row as you approach the wellness centre, on the left-hand side. It is signed 'Reserved for Sensory Footsteps.' This parking bay is reserved for client appointments and is free of charge. Please park in this bay.

- If you encounter any difficulties accessing the reserved bay, please inform your therapist. They will provide guidance on parking in the main car park, and they will validate your parking. You can send your vehicle registration to your therapist via text or phone call.
- The main car park is conveniently located close to our clinic and accessible from the left-hand side.

#### **Entering the Clinic:**

- You can access our clinic by pressing the intercom buzzer for 'Room 7' - Sensory Footsteps. Your therapist will buzz you in.
- Our clinic is the nearest clinic to the main entrance of the wellness centre, and your therapist will be there to greet you upon arrival.

#### **Waiting Area:**

- If you arrive early, it is advisable to wait in your car. Alternatively, you are welcome to use the communal waiting room outside our clinic. Please note that this waiting room is shared with all other businesses on-site. While it is generally quiet, we cannot guarantee capacity or noise levels.

**Toilets:**

- There are toilets available on entrance to the Wellness centre. These are situated directly in front of the main doors. There is also a toilet available in clinic however, this is up 2 steps.

We look forward to your visit to Sensory Footsteps Clinic at Cavendish Court Wellness Centre. If you have any further questions or need assistance with directions, please don't hesitate to reach out to us.

Kind regards
