“Sparking Children’s Curiosities Inside & Out”

Unlock the summer Adventure of a lifetime in 2020!!!!

What makes our day camps unique?

- Our nature-oriented programs consist of a variety of Adventures that are safe, fun and provide educational programs including cultural activities, unique physical challenges, games and lots of social activities.
- Our camps allow children to step out of their comfort zone and into the iconic New-Brunswick Wilderness to learn about themselves in relation to what our natural world has to offer and provides them with the opportunity to experience "DIGITAL DETOX"
- Our programs include daily paddling skills with kayaks and canoes, playground, inside and outside rock climbing, arts and crafts, cultural activities, hikes and swimming.
- DID YOU KNOW? If you have more than one child attending our camps you qualify for a discount. Ask us about it ☺

Research indicates that children who take time to disconnect from devices and connect with nature and within themselves experience powerful and permanent changes in their overall well-being. Fortunately, our highly inclusive and culturally oriented camps give children the opportunity to meet new friends who are also looking to build their relationship with nature and learning about the outdoors. Children attending our camps will be surrounded with highly motivated outdoor facilitators that help campers enhance their knowledge of the outdoors and inspire their curiosities about nature.
