AN ORDINANCE GRANTING A FRANCHISE TO
DUKE ENERGY PROGRESS, LLC

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF
ROCKINGHAM, as follows:

I. DEFINITIONS

1.1 As used in this Ordinance, the following terms, words and phrases shall have the meanings respectively ascribed to them in this section:

“Duke Energy” shall mean Duke Energy Progress, LLC; Duke Energy Progress (DEP) is a North Carolina limited liability company organized under the laws of the State of North Carolina and authorized to do business in the State of North Carolina and any assignee of or successor in interest to Duke Energy Progress, LLC under this franchise Ordinance.

“City” or “City of Rockingham” shall mean the City of Rockingham, a municipal corporation located in Richmond County, North Carolina; the area within the territorial City limits of the City of Rockingham and within the extraterritorial area surrounding the City to the extent it may be lawfully included as presently or hereafter fixed by law or ordinance; or the City Council or any officer or agent duly authorized in acting on behalf of the City as a municipal corporation, as indicated by the context by which the term is used.

“City Council” shall mean the governing body of the City of Rockingham.

“Council” shall mean the governing body of the City of Rockingham.

II. FRANCHISE GRANTED

2.1 Duke Energy is hereby granted the right to construct, operate and maintain an electrical utilities system, including such communications infrastructure as is necessary and convenient for the electrical utility’s purpose, within the Town and within the extraterritorial area surrounding the City, to the extent the City may lawfully do so, for the generation, transmission, distribution and sale of electricity to consumers and users within the City and to the City and any and all agencies and departments thereof. Duke Energy is also given permission to do all acts necessary or helpful for the purposes enumerated hereinabove or hereinafter; and assent, and permission is hereby given and granted to Duke Energy, its successors and assigns, to exercise all powers, right and privileges which Duke Energy under and by the terms of its charter, or otherwise is authorized, empowered or permitted

City Clerk

to conduct, carry on, exercise, do or transact including, without limitation, the power, right and privilege to use, lease, sell, convey and transmit power by electricity for manufacturing, lighting, heating, motive power or other purpose or purposes and for the doing of an electrical business generally.

2.2 Duke Energy is hereby granted the right, authority, and privilege to construct and install, operate, maintain, renew, replace and repair electrical and communications facilities including but not limited to lines, cables, towers, poles, conduits, transformers, connections and services thereto, in, through, across, along and under streets, avenues, roads, public alleys, lanes, parks, squares, and other public places and ways in the City for the generation, transmission, distribution and sale of electricity, its communications purposes and for any and all other approved purposes, subject to the terms and conditions hereinafter set forth in this Ordinance; provided, however, that nothing in this Ordinance without further approval of the City shall authorize or permit the construction of a cellular tower or similar facility within the public areas described herein.

2.3 If the City determines that it is necessary to expand, widen, or improve a road or other public way, the City may require Duke Energy to relocate its facilities that are in conflict with such expansion, widening or improvement. If the City requests such a relocation, it will provide an acceptable alternate location for Duke Energy's facilities at no cost to Duke Energy. If Duke Energy's facilities are, or were originally, located on private property, the City shall pay for the cost of relocation. If, however, Duke Energy's facilities were originally located within the existing public right-of-way which is being, expanded, widened or improved, Duke Energy shall bear the expense of relocating its facilities. If any street improvement project is to be funded in whole or in part by the State of North Carolina or the federal government, or an agency thereof, the City will cooperate with Duke Energy in obtaining reimbursement for its relocation cost to the extent allowable under state and federal law. Such reimbursement, when received, shall be an offset against the cost of relocation to be paid by the City. The relocation cost and reimbursement for relocation costs for facilities installed to provide electric service to the City, including street and area lighting and traffic signals wherever located, shall be determined and paid by the City in accordance with the Applicable Rate Schedules and Service Regulations of Duke Energy on file with the North Carolina Utilities Commission, as the same now exist or as they or any of them may be hereafter amended, modified, changed or annulled in accordance with the laws and regulations pertaining thereto.

- 2.4 Whenever Duke Energy shall cause any opening, excavation or alteration to be made in any street, lane or public place within the City in the construction, operation or maintenance of any of its electrical and communications facilities including but not limited to lines, cables, towers, poles, conduits, transformers, connections and services owned or used by it, Duke Energy shall cause such portions of said street, lane or public place to be restored to the same condition in which it found them as nearly as practicable. Additionally, if Duke Energy shall fail to restore the area to its approximate former condition within a reasonable period of time, but no less than thirty working days after notification by the City, the City shall proceed to restore such streets, lanes and public places as nearly as practicable to their original condition and the City shall submit a statement of the costs for this restoration to Duke Energy. Duke Energy agrees to pay the City for these costs within thirty days.
- 2.5 Pursuant to N.C.G.S. 160A-319(a) this franchise is granted for a term of sixty (60) years beginning August 10, 2021, and ending at midnight August 9, 2081, and thereafter it shall renew and continue in force on a year to year basis unless terminated by either party upon ninety days written notification to the other. Notwithstanding the foregoing, in the event that the electric industry in North Carolina is deregulated or restructured by state or federal legislation or regulation, or state or federal judicial action which affects retail distribution to the extent that the inhabitants of the City may choose their electric supplier, then upon the date when such legislative, regulatory or judicial action has the force and effect of law, this franchise may be at any time thereafter terminated by either party upon ninety days written notification to the other. This franchise supersedes any and all former rights or franchises of Duke Energy to operate an electrical utilities system in the City with respect to all acts and things done or admitted to be done, on or after August 10, 2021.
- 2.6 Duke Energy is hereby granted the right during the existence of this franchise to mortgage or hypothecate this franchise, together with all rights and privileges hereunder and any right or interest therein, as security for indebtedness, subject to acceptance by any legal successor in interest of the obligations, duties, liabilities, limitations and prohibitions set out herein and subject to approval by the North Carolina Utilities Commission or other government agency whose approval is required by law. Duke Energy may not assign or transfer its rights under this franchise agreement without the express consent of the City Council and such consent shall not be unreasonably withheld, provided, however, that this provision shall not require Duke Energy to obtain permission from the City Council prior to assigning its rights hereunder to any new entity created in any corporate reorganization or merger in which Duke Energy is a party.

- 2.7 Duke Energy shall save the City, Mayor, City Council, and the City's officers, agents, servants and employees, harmless from all loss against any and all claims, suites, actions, liability, and judgments for damages (including but not limited to costs and expenses for reasonable legal fees and disbursements and liabilities assumed by the City in connection therewith) sustained by the City or the Mayor or the City Council, or the City's officers, agents, servants or employees, on account of any suit, judgment, execution, claim, or demand whatsoever resulting or in any manner arising from sole negligence on the part of Duke Energy, its officers, agents, servants and employees in the construction, erection, operation and maintenance of its electric distribution system or the conduct of its business, such negligence having been determined by final order of a court of competent jurisdiction, not subject to appeal.

III. ACCEPTANCE OF FRANCHISE

This Ordinance shall take effect from the day of its passage, but only after it has been accepted in all its terms and revisions by Duke Energy, in writing, within sixty days after its passage otherwise, the same shall be null and void and of no effect.

This Ordinance was passed by a majority vote of the City Council of the City of Rockingham at the regular meeting of the City Council held in the City of Rockingham, North Carolina on the _____ day of _____, 2021 and was again passed by a majority vote of the City Council of the City of Rockingham for the second time at the regular meeting held in the City of Rockingham, North Carolina, on the _____ day of _____, 2021.

For completing the Law Enforcement Risk Management Review and proactively serving the community in a professional manner while taking steps to minimize risks to our citizens and officers

**WORKING AS ONE.
ADVANCING ALL.**

The purpose for this law enforcement risk review is to assess an agency's adherence to best practices, court decisions, and policies and procedures related to high liability activities in law enforcement. The goal is to mitigate liability exposures, enhance officer safety, and validate that training and operating procedures are meeting industry standards. The risk management review was designed and peer-reviewed by a panel of police chiefs representing a cross section of N.C. law enforcement agencies and is available to those agencies who participate in the League's property and liability insurance pool.

Ref: Certificate of Convenience and Necessity

Kelly Nelson has requested a Certificate of Convenience and Necessity in order to operate a Taxi Service. The business would be operated from 410 Steele Street in Rockingham and called OK Nellz LLC.

Captain Greene has checked both her Criminal and Driving History and can find no reason to disqualify Miss Nelson to operate such a business in the City of Rockingham. I have attached copies of her business plan, Temporary North Carolina Proof of Insurance, and a copy of her Employer Identification Number from the Department of Treasury Internal Revenue Service.

It is my recommendation based on the above listed facts that she be granted a Certificate of Convenience and Necessity.

NORTH CAROLINA

RICHMOND COUNTY

**Interlocal Agreement Between Richmond County,
City of Rockingham, City of Hamlet, Town of
Ellerbe, Town of Dobbin Heights, Town of
Hoffman, and Town of Norman**

This **First Interlocal Agreement** (“Agreement”) is entered into and effective this ____ day of June 2021 (“Effective Date”), by and between **Richmond County**, a body politic duly organized under the laws of the State of North Carolina, hereinafter referred to as (“County”), **City of Rockingham** (“Rockingham”), **City of Hamlet** (“Hamlet”), **Town of Ellerbe** (“Ellerbe”), **Town of Dobbin Heights** (“Dobbin Heights”), **Town of Hoffman** (“Hoffman”) and the **Town of Norman** (Norman”), each of which is a municipal corporation of the State of North Carolina, collectively referred to as the municipalities (“the Municipalities”).

RECITALS:

Whereas, the County is a duly existing body politic created under and by virtue of the Constitution and the laws of the State of North Carolina; and

Whereas, the Municipalities are all duly existing municipal corporations created under and by virtue of the Constitution and laws of the State of North Carolina;

Whereas in 2020, faced with increasing costs and obligations, the County was faced with a need to increase revenues and chose to refrain from ad valorem property tax increases due to the adverse affect increased ad valorem property tax has on economic development; and

Whereas, under Section 105-472(b) of the North Carolina General Statutes the Secretary of Revenue must divide the amount of any sales tax collected and allocated to Richmond County among the County and its municipalities in accordance with the method of distribution of sales tax determined by the County and in accordance with statutory law; and

Whereas, on April 6, 2020 the Board of Commissioners of Richmond County voted to change the method of distribution by Board Resolution from the Per Capita Method of sales tax distribution it had used in the past to the Ad Valorem Method of distribution of sales tax revenue used by over half of North Carolina counties, which, in effect, increased the amount of sales tax revenue statutorily distributed to the County and decreased the amount of sales tax revenue distributed to the Municipalities; and

Whereas, the Municipalities have indicated the change in the method of distribution has caused a hardship to each and every one of them and the County has indicated its willingness to assist the Municipalities in the 2020-21 fiscal year; and

Whereas, the County desires to assist the Municipalities with financial assistance this fiscal year in order to help support and/or restore those things in each municipal community that benefit all Richmond County citizens, including but not limited to Public Safety (Fire, Police, Rescue) Parks and

Recreation, Community Buildings, Recreational Programs, Cultural Events, Community Functions, Senior Citizen Programs, streetlights, Internet, Water and Sewer Projects and other things provided by the municipalities which provide support, enrichment and economic benefit to all citizens of Richmond County who live within and without the municipal borders of each city and town; and

Whereas, the County has made an offer to assist the Municipalities in the current fiscal year and the Municipalities have agreed to accept the funds as offered; and

Whereas, pursuant to Article 20 Section 160-A through 160A 481.2 of the North Carolina General Statutes regarding Interlocal Cooperation, the County and the Municipalities are authorized by the Legislature to enter into agreements of cooperation between themselves to further the legitimate purposes of government;

NOW THEREFORE the County and the Municipalities, and each of them, do hereby agree to the following terms predicated on receipt of financial assistance from the County:

1. The County agrees to pay a total of \$728,910 to the Municipalities in fiscal year 2020-21 before June 30, 2021 in the amounts and to each Municipality as set out below:

| D. Town of Dobbins Heights | - | \$ 76,103.00 |
| E. Town of Hoffman | - | \$ 63,572.00 |
| F. Town of Norman | - | <u>\$ 30,270.00</u> |
| | | \$728,910.00 TOTAL |

2. In addition to the above funding, the County does hereby agree to amend its 2021-2022 proposed budget to include payments totaling \$728,910.00 to the municipalities in the same manner as set out in Paragraph 1, above.

3. The Municipalities agree to use these funds in such a manner in their budgets within their municipalities in a manner to benefit all citizens of Richmond County as set out above.

4. In order for this to become a valid enforceable agreement it must have full Board approval from each municipality by Friday, June 25, 2021 at 5.00pm.

5. The County further requires that the City of Rockingham and the City of Hamlet provide to the County in a form suitable to County counsel a release of all claims contemplated in that demand letter addressed to the Richmond County Board of Commissioners dated June 24, 2020 by T.C. Morphis, Attorney for the City of Rockingham and City of Hamlet.

Executed by each municipality and the County on the date shown below. The effective date of this Agreement shall be upon the date the last party to this Agreement executes this document. City of Rockingham and City of Hamlet have executed the release described above.
