Thank you for helping us with this mission!

Mission

- That eligible veterans receive support from The American Legion, Department of Wisconsin.
- That the families left behind are taken care of.
- That every Wisconsin veteran returns home to a community of active support.
- That every Wisconsin veteran receives the help they need to enhance his or her everyday life.

Purpose

The American Legion was founded in 1919 on the base of the Four Pillars:

- Veterans
- Defense
- Americanism
- Youth

The Troop and Family Support Program supports both the Veterans pillar and the youth pillar.

Through these grants, the organization ensures that veterans and their families are able to secure their way of life and enhance their every day lives.
