

Founded on May 2, 2015 and **Chartered by the New York State Department of Education, Board of Regents on July 13, 2017**, as a **501c3 educational non-profit corporation, New York State accredited Museum and institution of higher learning**, “to be located in **New York State**,

Our **Mission at Museum of Urban Arts** is to establish, preserve and exhibit artworks from Urban Artists worldwide, while also serving as an cultural educational enrichment center, hosting public art projects and exhibitions, immersive urban arts experiences, events, classes, workshops and events for the community.

The Vision for The Museum of Urban Arts is to create an indoor and outdoor museum park experience with live, virtual and interactive exhibits of the urban arts movement. Our Interactive Exhibits & Galleries will provide cultural enrichment and education in the Street Arts and Urban Arts culture through the exhibition of installations and artworks in: Urban Fine Arts, Urban Contemporary Arts, Music, Dance, Public Arts: Sculptures, Installations and Murals, Street Art & Graffiti Writing, Urban Arts Memorabilia, Urban Agriculture, Photography and Cinematography.

Classes and Workshops are also available for all museum guests in single and ongoing sessions. The Museum of Urban Arts will host school trips, after school programming, street and urban arts classes, workshops, technical trainings, artists career development workshops and residencies, as well as host educational group and private tours and many more street arts and urban arts related technique classes.

Our **Creative Warehouse** is fully accessible to artists of all levels featuring classrooms and creative work spaces equipped with the latest state of the arts technology of computers, cameras for both photography and film, musical instruments, music studio recording equipment and laser cutting and welding machinery, with the ability to create industrial sized artworks and sculptures.

All artists also have the opportunity to rent creative work spaces and studios for private projects. Work spaces tailored for: Music, Dance, Film, Photography, Painting, Sewing, Sculpting, Welding, Spray Painting, Laser Cutting and many Urban Arts related techniques will be available by request.

The Museum of Urban Arts curates public arts exhibitions and has completed countless art installations with artists from all over the world. With something for every visitor, the Museum of Urban Arts in New York will serve as an international attraction, commanding visitors from all around the globe.

All guests of The Museum of Urban Arts will have the opportunity to leave their visit with a piece of urban artworks created by them, delivering an unforgettable and unique cultural educational enrichment experience.
