Dear Members of the Iranian-Persian American Association,

I am writing to express our deepest gratitude for the unwavering support and generous financial assistance that the IPAA has provided to our organization. Your commitment to helping those in need has made a significant impact on the lives of our injured refugees, and we are overwhelmed with appreciation for your invaluable contributions.

The financial support extended by IPAA has played a crucial role in our mission to provide essential assistance to Iranian refugees who are facing unprecedented challenges. Your unconditional help has not only alleviated the financial burden on our organization but has also allowed us to extend a lifeline to those who need it most. The impact of your generosity has reverberated through the lives of the refugees we serve, offering them a glimmer of hope and a chance at a better future.

With the support of IPAA, we have been able to enhance our abilities to provide our Iranian compatriots with comprehensive assistance, addressing both their medical and social needs. Your assistance has enabled us to offer a holistic approach, not only focusing on immediate relief but also striving to eliminate long-term worries. Through your contributions, we have been empowered to guide and integrate these individuals confidently into their new lives in a foreign country.

Your compassion has helped create a supportive environment, allowing us to extend our reach and provide meaningful assistance to those who have experienced trauma and displacement.

As we continue our mission to improve the lives of Iranian refugees, we take solace in knowing that we are not alone in this endeavor. The support from IPAA has been instrumental in our efforts, and we are inspired by the positive transformations that we can collectively achieve.

Your support has been a beacon of hope, and we are honored to stand alongside you in our shared pursuit of a better world.

Sincerely

Farhid Habibi
