

# Nassau Swim Club Party Contract

Any Nassau Swim Club member wanting to host a pool party must schedule the party two weeks in advance with a Amanda McNamee to prevent conflicts with any other pool function or activities (e.g., swim meets, splash parties, etc.) which always takes precedence.

Please email Amanda at [nassaufundraisingactivities@gmail.com](mailto:nassaufundraisingactivities@gmail.com) or call/text 610-209-3353

Nassau Swim Club will schedule pool parties on a first-come, first-served basis at the discretion of the pool management team and the availability of open dates. All parties will be required to pay a party fee of \$30 (paid via check/cash/venmo) the day the party is scheduled and approved. This deposit will include 3 hour access to the pavilion and a lifeguard who will be responsible to provide swim tests to partygoers and clean up the pavilion area when the party is over. Having the additional guard will cover additional people being at the pool during the party. Party availability will be Monday-Thursday up to two parties per day and Friday-Sunday only one party allowed per day.

Parties are limited to 30 guests (cost is \$5 per non member guest) and the list will have to be received 1 week in advance with all non member guests listed. If these guests are not on the list they will not be allowed admittance to Nassau Swim Club. If changes need to be made please contact the manager on duty to discuss any issues.

In case of rain, the management team will attempt to reschedule the party if another date is readily available. Rain dates cannot be pre-scheduled. Pre-scheduling would not be fair to others who might be trying to schedule. If the party cannot be rescheduled, the \$30.00 party fee will be refunded.

The member host of the party must inform their guests of the swim club's rules and regulations and assume all responsibility for their guests during their visit to the swim club.

I understand all my responsibilities and swim club requirements as stated in this form.
