# CA Frost Elementary PTA®

## FEBRUARY 2024 NEWSLETTER

---

The PTA has many exciting opportunities for you to participate in this year. Are you interested in helping on the planning stages of the outdoor learning spaces? Want to help with Earth Day, Hike A Thon, or the May carnival? Have garden or greenhouse ideas? Interested in being a part of the 24/25 PTA executive team or helping plan fun family events? Interested in helping our nonprofit PTA continue to write and apply for grant funding? Want to help plan staff appreciation in May, or have an idea that you simply want to bring to life at Frost? Please email [cafrostpta@gmail.com](mailto:cafrostpta@gmail.com) and reach out!

Also remember to check out [www.cafrostpta.org](http://www.cafrostpta.org). It has helpful school information, volunteer sign ups, and parent quick links! You can pay for popcorn, purchase clash of the decades tickets, view the student guidebook, review school newsletters, buy a frost lanyard, and so much more.

A huge thank you to Spartan Nash and Our Family Cares for the school wide donation of breakfast cereal bars. These will be offered to our scholars during the next round of state testing.

---
