Source: This recording is a Silencer UltraMatrix composed of 70% of the master soundboard -> Casio DA-7 DAT combined with 30% of the master audience DAT recorded with Neumann KM140 mics to Sonosax SX-M2 Preamp to a Panasonic SV-255 DAT deck. The resulting tracks were recorded onto CDRW from a Sony PCM-R300 to an HHB CDR850 via digital coax, extracted to the computer using EAC, blended together utilizing Cool Edit Pro multitracking and mixed down to disc.
